**Solano Community College District
Capital Improvements Program
DSA Project Inspector Services Pool RFQ #15-003**

Solano Community College wishes to thank each firm for their interest in our process to establish a DSA Project Inspector Services Pool per RFQ #15-003. We understand that submitting an SOQ is time consuming and we appreciate your effort.

There were 5 SOQ's submitted and after careful review and deliberation by the review committee the District has chosen to include all 5 firms in the initial pool for the Measure Q Bond Program.

The 5 firms are listed in alphabetical order as follows:

1. Norman Dietrich Inspection Services Inc.
2. John R. Hanna Inspections Inc.
3. King Construction Inspections Inc.
4. Optima Inspections Inc.
5. TYR I.O.R. Services

The District would like to thank you for your interest in this RFQ and your time in submitting your SOQ.

Sincerely,

Laura Scott
