PROJECT BID DOCUMENTS

Note:

The information discussed during the Pre-Bid Conference is intended to provide a high-level overview of the project requirements contained in the Bid Documents, and offer potential bidders an opportunity to review and familiarize themselves with the project site conditions. Submission of a Bid signifies Bidder's careful examination of the Bid Documents (including any addenda) as well as to account for the existing site conditions (based on their observations made from visiting the site and historical reference reports).

Oral statements shall not be relied upon and will not be binding or legally effective. All questions must be submitted in writing and will be answered via addenda and posted on the District's website.
