Establishing the Annual List of Contractors:

1. The District will e-mail a written notice to all designated construction trade journals (see Notice to Licensed Contractors to Submit Application for the List of Construction Trade Journals), inviting all licensed contractors to submit the name of their firm for inclusion on the District's list of pre-qualified bidders for the following upcoming calendar year.
2. The Notice shall require that the contractor provide the name and address to which a Notice to Contractors or Proposal should be e-mailed or mailed, a phone number and fax number at which the contractor may be reached, the type of work which the contractor is interested and currently licensed to do, together with the class of the contractor's license(s) held and contractor license number(s) and Department of Industrial Relations (DIR) registration number.
3. The District will create a new pre-approved qualified contractor's list starting January 1st of each year. The District may include any contractor names it so desires on the list, but must include, at a minimum, all contractors who have properly provided the District with the information required.
