

Sustainable Solano in partnership with
California ReLeaf invite you to:

PLANT AN URBAN FOREST WITH US!

**Join us for the first
installation of the
Fairfield Urban Forest
Community Planting
Project!**

Sustainable Solano will be converting a 3.5-acre homeless shelter into a resilient, mixed canopy urban forest this winter. The project aims to reduce green house gases and serve as a living lab for Solano County residents!

DECEMBER 8 | 9AM-12PM

MISSION SOLANO

310 BECK AVE., FAIRFIELD CA 94533

To register, visit SustainableSolano.org/events
*If available, please bring a shovel, garden rake and gloves
as supplies are limited.*
