Discussion/Information Items:

1. A few departments have completed reviews in the school of liberal arts, but due to medical needs of the dean, the dean's reviews haven't been completed yet
2. The PR workgroup on review process will have first planning meeting 3/14/16
3. Committee members were assigned the following self-studies: Engineering, Geology, and History.

Reviews:

Faculty spent the bulk of the meeting reviewing the program reviews from Biology and Social Sciences. Feedback will be compiled by the program review coordinator and then distributed back to the committee members for their review. Upon their approval, the feedback will be sent to discipline faculty.

Upcoming Meetings will be on:
