I introduced the pilot at the school of CTE spring flex meeting and then we had later meetings. I will see what I can find...Here is an old email.

Hi Debbie and Maire,

I am assuming Pei-Lin and I will be stopping by during the 4-5 school meeting on Friday. Is that correct? We probably just need 10-15 minutes (can get by on less if need be), to introduce the pilot. We will go into details with lead writers in a training at a later date. Please let us know at exactly what time you would like us.

Hope your holidays were wonderful!
