SOLANO COMMUNITY COLLEGE

Distance Educate Bulletin

Spring 2016 Semester

Greetings SCC Faculty:

Check out your new Faculty Online Resources Page

Faculty Online Resources

at http://www.solano.edu/online_classes/teach.php.

You can now find Canvas tools, tips, and information as it becomes available at the new SCC Faculty FAQs page. So be sure to keep an eye on this page.

Do you have lectures or videos that you would like to have captioned for your Summer 2016 class(es)? The DE Office will submit an application for video captioning services through the DECT Grant on March 15, 2016 for the Summer 2016 semester. All SCC faculty teaching online, hybrid, or using eCompanion shells in Canvas may submit a request to have his/her videos closed captioned. You can fill out your request for closed captioning by navigating to the new Faculty Online Resources Page at http://www.solano.edu/online_classes/teach.php and clicking on the SCC Faculty FAQs link.

There is a new feature entitled **WorldWideWhiteboard** (WWWB) in your Course Navigation Column. This feature comes to us as part of Online Education Initiative (OEI). This feature is currently live, so if you do not want to use it, you can hide it from your Course Navigation Column on the Settings Page. We will be providing workshops soon to orient faculty in using this new tool. The WWWB User Guide is posted on the SCC Faculty FAQs page.

Want to teach a new Online Class for the Fall 2016 Semester?

Don't hesitate or delay! **April 4th at 4 p.m.** is the deadline to submit your course to the DE Committee for review.
