Student Learning Outcomes

The Assessment Guide provides instructions and examples for assessing your courses. It was designed for those who have no or little experience with assessments. So start with the Guide and use the Course Outcomes/Criteria/Methods as you need. More information will follow as the Outcomes page is finalized.

EXAMPLE OF COMMON PROBLEM #2:

- Providing a list of methods such as quizzes, exams, and group projects are the **WAYS** to assess knowledge or skills.
- You need to describe how students performed on the quiz, exam or project.
