

## **Health Fee Exemptions:**

Providing on campus health services is very expensive. The California Community College system does not have sufficient funds to subsidize such student health services, and the state legislature mandates that the burden of supporting a student health center will be shared by all Solano Community College students through a general fee, regardless of whether they utilize the health center or have their own health insurance policy.

The following students are exempt from paying the mandatory health fee:

- (a) Students who depend exclusively upon prayer for healing in accordance with the teachings of a bona fide religious sect, denomination, or organization;
- (b) Students who are attending a community college under an approved apprenticeship training program.

Students who fall within one of the two grounds for exemption may apply for a fee waiver by submitting a written request to the Cashier's Office, or by turning the form into the Cashier's Office located on the 1st floor of Building 400.

## **Student Representation Fee Waiver:**

All students who register on or after January 1, 2020 are charged the Student Representation Fee. Each fee collected is divided between the Associated Students of Solano Community College (ASSC) and the recognized statewide community college student organization, Student Senate of the California Community Colleges (SSCCC) to provide support for governmental affairs representatives from the two organizations who may be stating their positions and viewpoints before city, county, state and/or federal government. The Student Representation Fee cannot be used to support individual candidates or campaigns.

Students have the right to waive this fee by submitting a request to the Cashier's Office. The Student Representation Fee Waiver Form must be submitted prior to the start of the term for processing.
