

Associated Students of Solano College ASSC Newsletter

FALL 2020 STUDENT ELECTIONS!!

The Associated Students of Solano College (ASSC) is looking for students who are interested in participating in student government.

As members of the ASSC, Senators preside over a budget created by student fees, donations from the Barnes and Noble Bookstore, Vendor sales and campus visit fees, etc. As a member of the ASSC, you will have the opportunity to have a seat on various Hiring committees to ensure that student voices are heard before someone is hired as a Dean or as another member of the campus Administration.

We are in need of candidates for the following positions:

President and Vice-President (must run as a “team”)

Legislative Advocate

Student Trustee (receives a monthly stipend)

Aside from the honor of representing your fellow students, there are other benefits to being a part of student government: *free campus parking permits; priority registration; participation noted on transcripts; a possible stipend*. Due to campus closures, the election process will be totally online. Documents, applications, copies of the ASSC Constitution, Bylaws and Election Code and the Election Calendar are now available on the ASSC web page.

We are also in need of *20 Senators* for various positions (Students are encouraged to apply for these positions as they are not ‘elected’). An application is posted on the SCC student government web page. Please return your application to and have your questions answered regarding GPA minimum requirements, time commitments and the election and appointment process by contacting Dr. Rischa Slade at Rischa.Slade@solano.edu.

GO FALCONS!!!

4000 Suisun Valley Road | Fairfield, CA 94534 | 707-864-7000, Ext. 4367
