Public Forum

-none.

Advisors Report

-V.P. Academic Affairs Leslie Minor

-Will send ASSC information via links and what not so we can later take action to support or not support

-Bachelorette pilot program

- Pilot program lasting a few years so the state can decide whether or not the state should make all junior colleges to let do this.

- Were approved the second time for bio manufacturing.

  - Appealing field for people interested in bio sciences and applied technology.

  - Major industry partners like Genentech; making medicines, medicine devises, prosthetic devices.

- Fall of 2017, may be able to apply late next year.

- 2+2 program to get bachelors degree.

- Hopefully students will be employable immediately after they get the bachelors

- Take a look at what bio-manufacturing is, what the program would Include and decide whether or not you would like to approve and support this.

-Tomorrow and Thursday the candidates will be speaking about the election and the transportation fee!

-WE STILL NEED PEOPLE TO COVER SOME ELECTION SHIFTS!!!

-Transferring funds from conference budget to membership dues

-Athletics booster to get our name on everything they send out → \$250 for the year

- Should make a line item if voted on

- Shows our support of the athletics

-Someone to speak to the students tomorrow and Thursday!

-Mariah 10:30-11 Wednesday

Health and Kinesiology dismissed @ 1:30

Krysta dismissed at 1:39

Action Items

#### A. UMOJA Petition- President White

- Fine and applied art moves to support the UMOJA petition and Diversity affairs seconds. 8-0-1.

#### B. Bylaws

- Changed numbers into just the numeric and not the verbal writing of the numbers.
  - Shared governance changed to participatory governance
  - Student life office instead of student development
  - Create or remove capital committee
- Diversity affairs dismissed @ 1:48
- Funding request committee instead of club funding committee.
  - Application and bylaws not lining up with each other
- Fine and Applied arts moves to extend time 5 minutes. Business seconds. No discussion. 7-0-0.
- Business services dismissed @156
- Formality word changes to make the bylaw's flow better. Uppercase letters, lower case letters, 'shalls' etc.

#### C. Student Debt Prevention Policy

- Social Sciences moves to approve the policy proposal for the student debt prevention policy. Humanities seconded. 6-0-1. No discussion. Motion passes.

#### D. Moved

#### Information Items

- A. Frisbee Friday 3/25/16—right outside on the grass, a couple Frisbees so no confliction. More than welcome to send emails with any questions. 2-5pm .  
Possibly get a band out there?

Gabe dismissed @2:08

- B. Bike to work day 5/12/16 – work out a way where we only spend \$40 out of the ASSC pocket. Will provide healthy snack!

- C. Funding Request Presentations 3/22/16 –VP

- a. Last Friday's meeting was great! March 22<sup>nd</sup> will be here to get the approval and we will see all their presentations and then decide whether or not we want to support them!

#### Committee reports

-Survey Report:

- Survey meeting tomorrow at 1pm
- Do have to sort through the surveys

-Senator report:

- Curriculum: Photo classes, Latin classes and cinematography all got kicked to a later date because no representation. Cine 10 did get approved. Photography 52 also approved. Pre-req dropped making it easier to get in. Dual programs must have SSC approved professors.

Academic curriculum moves to adjourn. Student services seconds. Eeting adjourned 2:16.
