Action Items

C. Transportation Fee

Kevin Butt business moves that the ASSC creates a resolution to create a \$10 transportation fee to be voted on in the 2016 spring election. Seconded by student services. Discussion: It would be \$10 a semester, and YES the students have to vote on it. Spending money is always painful, but when it comes to helping your fellow students out it is very worth it! Keep in mind it is based on the voting majority, so if 150 people vote and 100 vote for it, it will pass. We don't want students to not attend the school for the sole reason that they just can't afford the transportation. 10-1-0. Motion passes. Career and Technical Senator Matthew Hartsock opposed.
