Sentence Skills assessment scores are one of several measures of your eligibility for English composition courses. You should seek the advice of a SCC counselor to determine which other measures affect your eligibility and which course(s) you should take.

In any writing course below English 1 (English 305, English 350, English 355, English 370, English 380, or English 360), the score results of a student's Composition Mastery Examination (CME) will determine the next placement in the sequence of English classes as follows. A CME score of 2 = English 305, 3-4 = English 355, 5-6 = English 370, 8-12 = English 001.
