

Basic Skills Committee

Tues. Sept 17, 2013

4:00-5:00 Room 902

Minutes

- I. Approve Minutes from 9/20
Deferred
- II. Discuss Conference requests / make funding determinations

Last year the Committee earmarked \$20,000 for this current year budget for faculty professional development. The following conference funding requests have come in:

- Joe Conrad is attending AMATYC: Genele—more info?
 - RP Group Strengthening Student Success Conference: Reg. is closed / full, but do we have a couple people attending? (Genele...?)
 - 3Mc3 (California Math Council of Community Colleges) conference in December. The conference offers a developmental math strand. Make available to full and part-time faculty: Registration will probably cost about \$80 for adjunct and \$140 for full-time (based on last year's costs) and the conference is in Monterey, so mileage would be about \$80.23 (142 miles * 56.5cents/mile.) Rooms at the Hyatt start at \$130 per night. Total: **about \$500 per person.**
 - UMOJA IX Conference
 - If all three Instructors attend the cost would be **approximately \$700.00** per person.
 - Registration: 125.00
 - Hotel (3 nights) 129/night + tax
 - Mileage: \$75.00 (aprox)
 - Food: \$50.00 (aprox)
- III. 2013 BSI Reporting Form:
 - a. Consider the use of the new Basic Skills Completion e-Resource in planning
 - b. Discuss needed additions, deletions, changes from 2012 action plans
 - IV. FYE Update (planning for Spring)
-

_ earmarked \$20,000 in the current year budget for faculty professional development. The following conference funding requests have come in:
