BASIC SKILLS COMMITTEE

Agenda

Friday 10/23/15, 2-3pm, Room 135

1. Call to order – Joshua Scott, Chair
2. Approve 9/25 & 10/9 minutes
3. Continue discussing the state of learning communities and First Year Experience. Vice President Brown will be attending our meeting, so this is a great opportunity to consider what we know works and how we can scale up learning communities on this campus to meet the needs of the “general population” student. We will also discuss our best next step as far as coordination of learning communities and FYE. Should we try to find another FYE coordinator with the current job description? Should we modify or expand the position to include all learning communities? If you are at all able, please join us for this discussion.
4. Follow-up discussion for multiple-measures placement. We will continue to discuss high school GPA self-reporting with validation options as well as what data should be collected for math and English.
5. Adjourn.
