BASIC SKILLS COMMITTEE

Agenda

Friday 10/30/15, 2-3pm, Room 135

1. Call to order – Joshua Scott, Chair
2. Approve 9/25, 10/9, and 10/23 minutes (if available)
3. Continue discussing the state of learning communities and a possible “Safety Net Committee” or something similar. Vice President Brown will be attending our meeting, so we will share this proposal (or various versions of it) with him and the rest of the committee. We can then discuss how best to, in important ways, fundamentally change the culture of this college in order to be a place that supports students, foremost. Many people on this campus have worked tirelessly towards this goal, but we have done this work in our silos, which means that too many students have fallen through the gaps in the net. Our goal, as a basic skills committee, is to create a support system for the 5,000+ students who fall under the “basic skills” umbrella.
4. Continue to discuss the state of the FYE program, including either reposting or modifying the current FYE coordinator position.
5. Adjourn.
