1. **Call to order** – Joshua Scott, Chair
2. **Comments from the Public**
3. **Finalize Spring Schedule.** With a few exceptions (for holidays and a CAP conference), we will meet on the 2nd and 4th Friday of the month. Here is the tentative schedule: 1/20, 2/10, 2/24, 3/3, 3/24, 4/7, 4/28, 5/12. We will also discuss topics for each meeting.
4. **Discuss Possible Pathways Program.** Over the course of the semester, we have explored various topics/issues, including support new students attempting to enroll at SCC, support for DSP students, support for our most financially vulnerable students, including EOPS students, and ways to integrate our plans to support our students, to create a comprehensive “safety net” that is not dependent on a specific funding stream. One way to address many of these concerns is a Pathways and Summer Bridge program, a way to create “aspirational” learning communities where students are placed in cohorts based on career/transfer goals, and where our school then provides an integrated support model. Our discussion will include the following:
 - a. discuss First Year Experience (what worked, what didn’t)—all.
 - b. presentation on the FYE program at San Diego State—Vice President Guleff.
 - c. the Pasadena model (and others like it—read more here. <http://www.pasadena.edu/academics/support/pathways/>)—George Olgin.
 - d. how to integrate a Pathways program with local high schools (Vallejo in particular)—Michael Wyly and Shirley Lewis.
5. **Adjourn.**
