5. **Professional Development for Spring '17-** Last semester, we offered our first half-day basic skills retreat in October, where over 30 counselors, faculty, administrators, and staff came together to discuss our students and how best to serve them. We agreed that we should hold regular retreats/meetings during this mid-semester optional FLEX, and we have funds from the Transformation Grant (among other sources) to pay for these events. The majority of our meeting on Friday will be devoted to planning for the upcoming optional FLEX days (March 14-15), as well as other professional development opportunities. We want to focus on two distinct populations:
 - a. Those willing/open to change but who need more support/training.
 - b. Engage faculty who may be resistant to/unaware of the need to change.Please come to our meeting prepared to brainstorm how best to support our faculty and staff, to continue to create an environment where our students thrive.
6. **Adjourn.**
