 - c. Integration of ASTC/MAC
 - d. Work on apportionment issuesGeorge will share recommendations from the taskforce's first meeting.
5. **Multiple Measures Data Discussion.** Peter Cammish will share success rate numbers for students placed in English and math with Multiple Measures. We will discuss these findings and recommend next steps.
6. **Basic Skills coordinator release position, BSI committee.** As you may know, Tracy Schneider's English Basic Skills Coordinator position (20%) ended in December, and Josh Scott's BSI Coordinator position ends in May. Barbara Villatoro also holds a Math Basic Skills Coordinator position (20%). We will briefly discuss the coordinator positions to determine to what extent we should modify them, and we will also take the opportunity to revisit a possible renaming of our committee (Student Success and Equity Committee?)
