3. **Academic Senate Presentation** – *Reducing the Cost of Teaching Materials* (LaNae Jaimez, President; Josh Scott, Vice President)

As a follow-up to the last SESC meeting's discussion of lowering textbook costs across the campus, the Academic Senate is creating a resolution in support of reducing the cost of teaching materials for our students.

4. **Presentation and Discussion** – *Student Campus Climate Survey*

At the January Flex joint meeting ASSC membership presented priorities for the year. One of their key objectives is to see a student campus climate survey. We'd like to spend the main discussion considering options for a student campus climate survey, including how to build a robust survey that can retrieve valuable data and the workflow required to move this project forward.

ASSC representatives will join us for this discussion, presenting some of their interests and ideas to date. Break-out groups will have a chance to review and discuss survey information and ideas.

By the end of the meeting we would like to create a small workgroup to take this work forward to a draft for everyone to review.

You will receive a few sample surveys in preparation for this discussion.

## 5. **Adjourn.**
