Note: No online Anatomy, Physiology or Microbiology courses will be accepted.

For the Application and Referral process, all candidates must:

1. **APPLY** for admission to SCC online at www.solano.edu (if not already a current/continuing student).

2a. **APPLY in person at the Fairfield main campus Counseling Counter in the 400 Building.** Your California Driver's License or photo ID is required. You must bring a current and active California LVN license to be photocopied.

2b. **HAND CARRY to the Counseling Counter** <u>official</u> * **transcripts in sealed unopened envelopes from ALL** colleges (except Solano), universities or educational institutions **ever** attended to apply to the LVN-RN program Wait List. (Even if you did not complete any required classes, we still need the transcript.) If you have already sent official transcripts to Admissions and Records (A&R), confirm with them that they have your transcripts on file before coming to the Counseling Counter. See * below if you have International transcripts. *Failure to list all colleges or universities, and submit all transcripts, will VOID this application.*

3. **WAIT 30 BUSINESS DAYS** before making your "LVN-RN Referral Appointment" to meet with a Counselor to complete your Application and Referral form. During this time, A&R will be evaluating your transcripts and calculating your overall RN Composite Score. You may receive a letter from A&R, if you do not meet the minimum composite score of 73.

4. **RETURN** in person to the Counseling Counter to schedule a one-hour "LVN-RN Referral Appointment" or phone (707) 864-7101. This is your responsibility. **Your Application will be complete only after you have met with a counselor for your Referral.**

5. **KEEP your appointment.** During your counseling appointment, the counselor will review and post all completed pre-Major and General Education requirements, and list the remaining required courses for you to graduate from Solano College. At the close of this appointment, the counselor will date stamp your packet (for wait list order) and return the packet to A&R to complete your application. You will then receive a *Notice of Qualification to the Nursing Program* with a Wait List number by mail in six to eight weeks.

6. Once on the waitlist, you will be invited to take the TEAS V test and you must earn a 62 or higher. For more information see: https://www.atitesting.com/Solutions.aspx

WE RECOMMEND that you attend a RN Information Workshop.
