Student Support Services at Solano College

Academic Success and Tutoring Center

The Academic Success Center has now combined with the Tutoring Center to create a one-stop-shop for all tutoring services at Solano College, the ASTC. It is open to all Solano College students, faculty, and staff and serves as a center to encourage and facilitate academic success through support services that include computer usage; a supportive and positive study environment; academic success workshops (i.e. study skills, exam preparation, research and writing papers); information about important campus support resources; whiteboard use; drop-in and one-on-one tutoring for a variety of subjects. We are located on the main campus in the Library in Bldg. 100, with services at the Vacaville and Vallejo Centers. Call (707) 864-7000 ext. 4683 for more information.

Office of Admissions & Records

The Office of Admissions and Records Office (OAR) is responsible for implementing College policies and procedures related to admissions, registration, grades and transcripts. Students should acquaint themselves with the material contained in these pages to assure a successful academic experience. This office strives to provide excellent service to students, faculty administrators, alumni and the general public while maintaining accurate records and efficient timely responses to your requests. We are located in the 400 Bldg, First Floor. For more information, call (707) 864-7171.

CalWORKS Program

The Solano Community College CalWORKS Program welcomes you to our network of dedicated staff and comprehensive resources. We are committed to your individual growth, development, continuing education and job training. We are organized to provide assistance and information to foster effective support, work force training and job search activities. Job-Direct training is presented via classroom instruction, conferences, seminars, individualized programs, labs, publications and other learning methods. Your experience and training at Solano Community College will prepare you for the world of work, now and in the future. We invite you to meet our staff and let them assist you in developing your comprehensive educational plan. All training meets CalWORKS guidelines and those of the Solano County Health and Social Services Department. Let the Solano Community

College CalWORKs Program be your Path To Success! For more information, please stop by our office in Building 400, Room #406. For more information, call (707) 864-7000 ext. 4645.

Career Center

Career and Employment Services is located in Building 400, Room #403. The center offers one-stop services to include career exploration and skills assessment, labor market information and free employment assistance to all Solano College students and alumni in obtaining full or part-time employment on and off campus. Students can research information and resources on occupations, including employment outlooks, education and training requirements, prospective employment, and current salaries. The Center offers computerized career information systems, on-line resume posting and job search as well as up-to-date listings of current employment opportunities For more information or appointments, call the Career and Employment Services Center at 707-864-7124.

FYSI/YESS-ILP: Foster Youth Success Initiative / Youth Empowerment Strategies for Success - Independent Living Program

Solano Community College welcomes you to our FYSI & YESS-ILP Program designed to assist current and former foster youth to successfully navigate the community college system while simultaneously teaching them basic life skills. The FYSI and YESS-ILP Program goals include providing access to college services and resources; successful completion of attempted units; retention; completion of college degrees and certificates; and transferring community college students to the 4-year university. Program services include assistance in completing the FAFSA, Chafee grant application and other financial aid forms, provide academic counseling, refer and assist youth to access campus and community based resources, and provide experience-based life skills workshops. Here at Solano Community College, we are committed to helping you transition into becoming a successful college student. For more information, please contact the Student Services Office at (707) 864-7000 ext. 7173 or visit us in Bldg. 400. We hope to hear from you soon!

Extended Opportunity Programs and Services (EOPS)

Extended Opportunity Programs and Services (EOPS) at Solano College provides financially and educationally disadvantaged students with support services that include counseling, financial assistance, referrals, and assistance towards the purchase of their required textbooks. As a college success program, EOPS is designed to increase the success rate of students that are affected by socio-economic or language barriers. EOPS students will receive focused assistance related to their academic planning and career goals. If you have any questions, please stop by the EOPS Office in Bldg. 400, or call (707) 864-7000 ext. 4444 for further assistance.

Financial Aid

The Financial Aid Office offers a variety of aid programs, including grants, loans, scholarships and work study opportunities for students who may have a difficult time meeting their educational expenses while taking courses at Solano Community College. We encourage all students to apply for financial assistance by submitting the Free Application for Federal Student Aid (FAFSA) or The California Dream Act for AB540 Students. Our friendly staff are available to assist you with the application process to help you maximize your financial opportunity and minimize any financial hardships you may endure during your educational journey. Visit us in Bldg. 400, or call (707) 864-7173 for more information.

MESA

Mathematics, Engineering, Science Achievement (MESA) is nationally recognized for its innovative and effective academic development program. MESA engages thousands of educationally disadvantaged students so they excel in math and science and graduate with math-based degrees. MESA partners with all segments of California higher education as well as K-12 institutions. MESA, now celebrating its 40th anniversary, has a proven track record in producing math-based graduates by providing support such as classes, hands-on competitions, counseling, transfer support and a community environment to students from middle school through four-year college. Since 1970 MESA has helped students become scientists, engineers and mathematicians, filling an urgent need for qualified technical professionals. Through three branches of MESA, students from all segments of education are served through local centers throughout California. MESA partners with industry and all the major education institutions in California. MESA is located in the 400 Bldg, Room #434, or call (707) 864-7863 for more information.

Puente Project

Puente (Spanish for "bridge") is a national-award winning program that has helped thousands of students reach their dreams of college success. Puente was founded in 1981 by Felix Galaviz and Patricia McGrath at Chabot Community College in Hayward, California. Their goal was to increase the number of Mexican American and Latino students who transfer to four-year colleges and universities. Since then, Puente has expanded to 78 community colleges and 32 high schools throughout California, and tens of thousands of students have been served. The mission of the Puente Project is to increase the number of educationally underserved students who enroll in four-year colleges and universities, earn degrees, and return to the community as leaders and mentors to future generations. Puente is open to all interested students. For more information, call (707) 864-7101 or visit the Counseling Department in Bldg. 400.

Transfer Center

The Transfer Center is a student support service which provides prospective transfer students with direction and assistance in navigating the transfer process. Obtaining regular counselor assistance with transfer education planning is essential for a successful transition to four-year universities and colleges. Please visit our Center for guidance in Bldg. 400, Room #402, or call (707) 864-7158 for more information. We are here to help you!

Umoja

Umoja Program Scholars (UPS) actively serves students and promotes academic success for all, with a special emphasis on African-American students. The program is designed to help students make a smooth transition to college and successfully transfer to a four-year university. The Umoja Program Scholars curriculum is designed to improve skills in reading, writing, and critical thinking. Umoja Program Scholar's faculty and staff firmly believe that all students can and will learn when given "intentional and deliberate" guidance and instructional support. Umoja Vision Statement: Umoja Program Scholars is a powerful experience that transforms and touches students' lives by providing a supportive and safe learning environment where every voice is heard and acknowledged. For more information, contact (707) 864-7134 or visit us in Bldg. 400, Room #435.

Veterans Affairs

Solano Community College is an approved educational institution by the CA Department of Consumer Affairs Bureau for Private and Vocational Education, under Title 38, United States Code. The purpose of the Office of Veterans Affairs is to serve the needs of qualifying veterans, reservists and dependents of veterans. The student will receive assistance in filing for benefits, counseling through our Veterans Counselor on staff and we will act as the liaison between the Department of Veterans Affairs and the student. You Veterans and Reservists have served your country honorably, now let us serve you! Located in Bldg. 400, Room #429. Call (707) 864-7105 for more information.
