Welcome to Solano Community College!

On behalf of the faculty and staff at Solano Community College (SCC), I want to welcome you and thank you for choosing SCC. Our vision is clear: we want to be a recognized leader in educational excellence – transforming students’ lives.

We have three campuses conveniently located near you: our Fairfield campus, the Vallejo Center, and the Vacaville Center. We also offer classes at Travis Air Force Base and online. Your decision to pursue a college education – whether to earn a degree or certificate, transfer to a four-year college, or improve your job skills – is an important goal and our faculty and staff are here to help you succeed.

This schedule provides information on the location and times of our classes for the Summer/Fall 2019 semester. You will also find a listing of available support services and the steps for completing an application and enrolling in classes. For information on degrees, certificates, and requirements for transferring to a four-year college, review the College Catalog online at [www. Solano.edu](http://www.Solano.edu).

We are committed to providing a dynamic, supportive learning environment for the students and community we serve. It’s time to experience all that SCC has to offer. If it has been a while since you enrolled with us, I encourage you to return and enroll in one or more classes, enjoy some of our musical or theatrical performances, or attend the games of our sports teams. We look forward to seeing you.

Sincerely,

Celia Esposito-Noy, Ed.D.
Superintendent-President
Solano Community College

VISION

Solano Community College will be a recognized leader in educational excellence - transforming students’ lives.

MISSION STATEMENT

Solano Community College’s mission is to educate a culturally and academically diverse student population drawn from our local communities and beyond. We are committed to student learning and achievement and to helping our students achieve their educational, professional, and personal goals. Solano transforms students’ lives with undergraduate education, transfer courses, career,-and-technical education, certificate programs, workforce development and training, basic-skills education, and lifelong-learning opportunities.
