Intersegmental General Education Curriculum

Intersegmental General Education Curriculum – IGETC

IGETC is a series of courses that allows community college transfer students to fulfill lower-division general education requirements either at the UC or the CSU system. The IGETC pattern is most useful for students who want to keep their options open before making a final decision about transferring to a particular UC or CSU campus. Completion of IGETC does not guarantee admission, nor is it generally required for admission. IGETC is not appropriate for some majors. To view full IGETC requirements: *https://admission.universityofcalifornia.edu/counselors/transfer/advising/igetc/*

The Transfer Studies with IGETC Emphasis Certificate of Achievement may be achieved upon successful completion of the CSU Pattern.

Associate Degree Requirements

An Associate Degree will be awarded when the following requirements have been completed:

Course Identification Numbering System (C-ID)

The Course Identification Numbering System (C-ID) is a statewide numbering system that is different from the course numbers assigned by individual California Community Colleges. A C-ID Designator next to a course means that the course is comparable in content and scope to a course offered by participating California colleges and universities. Thus, if the Solano Community College courses are listed below with a C-ID Designator, students can be assured that the courses will be accepted at a California college or university that offers the courses with the same C-ID Designator.

The C-ID Numbering System is particularly useful for students attending more than one California Community College since C-ID Designators are often applied to courses students need to prepare for transfer.

Associate in Science in Business Administration 2.0 for Transfer (ADT: A.S.-T)

This degree is a NEW version of the Associate in Science in Business Administration. Both versions are active and students may pursue either version of the degree and should consult a counselor to decide the best path to individual transfer institutions.

Program Description
This curriculum is designed for students planning to transfer to the California State University system. Solano College's business courses provide a foundation of knowledge in key business areas such as business administration, law, accounting, marketing, finance, and economics, in addition to core courses in science and liberal arts.

Students who earn the Associate in Science in Business Administration 2.0 for Transfer will receive guaranteed priority admission to the CSU system, but not to a particular campus or major. Once admitted the student will only be required to complete 60 additional upper-division units to qualify for a BA degree.

To earn the Associate in Science in Business Administration 2.0 for Transfer, students must:
1. Complete 60 semester units that are eligible for transfer to the California State University, including both of the following:
    a. The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education – Breadth Requirements
    b. A minimum of 18 semester units in a major or area of emphasis, as determined by the community college district.
2. Obtain a minimum grade point average of 2.0.

Program Outcomes
Students who complete the Associate in Science in Business Administration 2.0 for Transfer will be able to:

1. Recognize and describe the importance of marketing, law, economics, accounting, business administration, finance, risk analysis, and personnel management in business and formulate hypotheses based on these concepts.

2. Analyze practical business problems and utilize research and critical thinking to evaluate and recommend alternative solutions.

3. Use appropriate computer software to create and or modify relevant business documents.

Human Services and Social Work

Human Services and Social Work
Certificate of Achievement and Associate in Arts

Program Description

The Human Services and Social Work program provides comprehensive training resulting in well-rounded Human Services and Social Work paraprofessionals. The curriculum is designed for people interested in various areas of employment such as mental and behavioral health, social welfare, developmental services, criminal justice, and chemical dependency. Graduates leave our program with a solid understanding of the human condition and the necessary skills needed to work with a diverse population.

The Certificate of Achievement can be obtained upon completion of the 18.5-unit major. The Associate in Arts can be obtained upon completion of the 18.5-unit major, Associate Degree Selectives, general education requirements, and electives as needed to complete a minimum of 60 units. All courses in the major must be completed with a minimum grade of C or P if taken on a Pass/No Pass basis. While units in this program are transferable to other institutions, students should contact a counselor for more information.

Program Outcomes

Students who complete the Human Services Certificate of Achievement/Associate in Arts will be able to:

1. Demonstrate culturally responsive helping skills and techniques.

2. Link consumers to services relevant to their needs.

3. Facilitate psychoeducational and support groups.

ARTD - Digital Art

ASTR - Astronomy

ARTD 144D   Digital Illustration Bootcamp   1.0 Unit
Hours: 16-18 lecture, 8-9 lab

Learn new new digital approaches to illustration in this fun, accessible class. We'll go over the basics of developing your personal style, review techniques, and learn how to conceptualize your ideas using industry-standard digital applications. Whether you're new to digital art or an experienced illustrator, you'll find new ways to make your ideas a reality.

ASTR 050   Astronomical Optics   1.0 Unit
Prerequisite: ASTR 010, ASTR 030, ASTR 040, or ASTR 045
Course Advisory: MATH 104
Transferable to CSU
Hours: 48-54 lab

An introduction to principles of astronomical optics. The student will apply these principles to the design, fabrication, and use of a telescope, which will be tested under the night sky. Primary mirrors will be ground, smoothed, polished, and figured by hand. Optics and optical testing theories will be presented. Students will design and build a custom optical tube assembly and telescope mount. *A field trip to test the finished telescope will be required.*

COUN - <u>Counseling</u>

COUN 064   **1.5 Units**
Human Services and Social Work Seminar
Corequisite: COUN 064P
Prerequisite: HSW 001 and PSYC 001
Course Advisory: HSW 083
Hours: 24-27 lecture

Provides the student who is participating in a supervised field experience at an instructor approved community organization, agency, or institution, with an essential academic element to its corequisite course COUN 064P. The CARE Program was established by the State of California to help welfare recipients become convinced that they and their children are important, that they are capable, and that with proper support they can break the welfare dependency cycle through education and job training.

CARE is a supplemental component of EOPS that specifically assists EOPS students who are single heads of welfare households with young children by offering supportive services so they are able to acquire the education, training and marketable skills needed to transition from welfare-dependency to employment and eventual self-sufficiency for their families.

Eligibility requirements for the CARE Program include:
- An EOPS student currently receiving the Pell Grant.
- Enrolled full-time at Solano Community College.
- A current recipient of Tribal TANF/TANF/CalWORKs cash aid, or at least one dependent child currently receiving cash aid.
- Single parent head-of-household.

CARE provides support services and CARE Grant reimbursement for child care expenses, textbooks and supplies, transportation costs, academic counseling, and personal development activities and workshops.
