

SOLANO COMMUNITY COLLEGE REGISTERED NURSING PROGRAM

ARTICULATION GRID 2021-22

LIST OF APPROVED NURSING PREREQUISITE COURSE SUBSTITUTIONS

Courses on this grid are approved as equivalent, comparable, or acceptable substitutes to the pre/co-requisite courses for the SCC Registered Nursing Program.

- Note 1: **Online science labs are accepted during COVID-Spring 2020-Fall 2022.**
- Note 2: Public Speaking is one option for the “Critical Thinking” requirement, students can choose from ENGL 002, COMM 002 or COMM 006. If you completed ENGL 004 or equivalent you can submit a substitution petition.
- Note 3: Courses with comparable C-ID designators are accepted.
- Note 4: No course recency requirement.
- Note 5: Solano accepts the first passing grade of “C” or better, if same course is repeated for a higher grade. This doesn’t count as a repeat in composite score. Repeats of “W”, “D”, “F” or “NP” in Anatomy, Physiology and Microbiology dramatically lower the composite score. Repeats older than 7 years do not count against the student.

Solano courses appear at the top of this grid. Although every effort has been made to ensure the accuracy of this document, errors are possible. We can’t possibly evaluate every course at every school. If there is a course that is not included in our grid that you would like us to evaluate, submit a petition <http://www.solano.edu/ar/1920/SubstitutionWaiverofRequirements5120.pdf> to admissions@solano.edu Additional information about the SCC Nursing Program requirements and enrollment process can be found online at <http://www.solano.edu/health/disciplines.php#nursing>

This grid is a work in-progress and will be updated periodically.
