

Where are my classes, what time do they start?

How do I use Zoom and Canvas?

From the Class Schedule (found on the front page of Solano's website about half way down): <https://www.solano.edu>

If your class lists a specific day/days and time (ie. T R – which is Tuesday and Thursday), and the location is ONLINE you will meet live online through zoom at those days and time.

If your class lists a specific day/days and time (ie. T R – which is Tuesday and Thursday), and there is a physical location (Building and Room), the class is in-person; please go to that location.

If your class lists MTWRF and TBA for the days and time, this class is asynchronous, meaning there is no live class time. All the coursework will be listed on Canvas with information and deadlines.

If you have any questions, please contact your instructor. Email is on the class schedule list or use their first name.lastname@solano.edu
