A RESOLUTION OF THE SOLANO COMMUNITY COLLEGE DISTRICT GOVERNING BOARD
ESTABLISHING A DISTRICT DEPARTMENT OF PUBLIC SAFETY

WHEREAS, the Solano Community College District (hereinafter “District”) Board of Trustees (hereinafter “Board of Trustees”) is committed to providing an equitable, safe, and secure campus for students, instructors, and staff; and

WHEREAS, Education Code Section 72330 authorizes a community college district to establish a community college police department and employ personnel as necessary to enforce the law on or near the campus of the community college and on or near other grounds or properties owned, operated, controlled, or administered by the college; and

WHEREAS, Education Code Section 72330 provides that employees of a community college police department may be sworn peace officers as defined in Penal Code Sections 830 through 832.18; and

WHEREAS, the Board of Trustees had previously entered into a Memorandum of Agreement (“MOA”) with the Solano County Sheriff’s Office for law enforcement services on all its campuses, which will expire on December 31, 2021; and,

WHEREAS, the District conducted a “Re-Imagine Campus Safety and Security” study and the Board of Trustees determined that establishing a Department of Public Safety (“DPS”) would be in the best interest of the college community, which will take time to establish and during which the District may pursue Memorandums of Understandings (“MOUs”); and,

WHEREAS, local city police agencies have agreed to establish MOUs with the DPS to establish operational agreements and information sharing between the two entities; and,

NOW, THEREFORE, BE IT RESOLVED, that the Board of Trustees hereby establishes the District Department of Public Safety in accordance with Education Code Section 72330; and,

BE IT RESOLVED, that the sworn public safety officers of the District will have training in accordance with the curriculum approved by the Commission on Peace Officer Standards and Training (“POST”) and may be required to carry a firearm and possess additional training related to proper firearm use; and

BE IT RESOLVED, that effective November 4, 2021, the Superintendent-President shall be authorized to take the reasonably necessary steps to establish the Solano Community College District Department of Public Safety which will provide safety and security to all three campuses, including hiring a Chief of Campus Safety, sworn Public Safety Sergeants, and non-sworn Public Safety Officers, as well as working with local police agencies to establish MOAs or MOUs for supplemental services or functions that can be contracted out.

SUMMARY.....................................................................................................................................................11
INTRODUCTION

On September 15, 2021, Forward Solutions, Inc. completed the “Re-Imagine Campus Safety Study” report for the Solano Community College District (SCCD). One of the main objectives of that extensive study was to engage stakeholders and constituent groups, including students and community members, regarding campus safety and policing services going forward.

The emerging theme from the meetings with all stakeholders and also from the two email surveys to the Academic Senate, Administrative Leadership Group (ALG), California School Employees Association (CSEA), Local 39 members, Management Group focus groups is the desire to see the College develop a SCC hybrid campus safety and security program with half campus LE officers (armed) and half security officers (unarmed).

On September 22, 2021, Forward Solutions, Inc. was asked to provide a cost estimate for starting a stand-alone Department of Public Safety for the Solano Community College District. This is due to the expiring month-to-month service contract between Solano County Sheriff’s Office (SCSO) and SCCD which will end on December 31, 2021. Due to staffing shortages and other issues, SCSO has conveyed to SCCD they will not extend the current month-to-month contract when it ends on December 31st.

Forward Solutions, Inc. consultant team reviewed past and current service contracts with SCSO, including salary and benefit data and compared these numbers with other similar college districts. We also consulted with SCCD’s insurance carrier (Keenan) for this project.

Under the direction, guidance and approval of Superintendent/President Dr. Esposito-Noy, the proposed staffing plan and new job descriptions were crafted. Vice President of Finance Wheat reviewed the costs of salary and benefits for the proposed personnel of Department of Public Safety and determined the estimates were fairly accurate.
ANALYSIS

So, the question is how many sworn officers and non-sworn public safety officers should SCCD need? When forming a new stand-alone law enforcement agency, one must begin with the notion that the agency will operate on the foundation of sound police management practices that deliver stellar public safety services to all areas of the community. In the case of SCCD, this means the students, faculty and staff, contractors, facility renters and visitors.

When determining the number of officers needed for an agency, there are several different approaches that can be used to accomplish this goal. Some of these criteria are work-load based, per Capita, and minimum staffing. Several criteria were considered before concluding that the “minimum staffing” approach would be the best suited methodology for determining the size of DPS at SCCD. The District’s hours of operation for personnel from DPS vary slightly for the Fairfield campus and the two education centers in Vacaville and Vallejo.

Below is the organizational structure Superintendent/President Dr. Esposito-Noy had worked on with the Forward Solutions team and it is the one she would like to have in place.

The organizational structure for the stand-alone Department of Public Safety (DPS) include the following full-time staff by positions:

- Chief of DPS (1)
- Public Safety Officers Non-Sworn (3)

In order to develop a cost-effective staffing model that would still provide adequate coverage, back-up and supervision necessary for a stand-alone department of public safety, part-time and on-call sworn positions and part-time and on-call non-sworn positions were included in the organizational structure:

- Part-time Sergeants (2)
- Part-time Public Safety Officers Non-Sworn (4)
- On-call Sergeants (2)
- On-call Detectives (2)
- On-call Public Safety Officers Non-Sworn (2)
The recommended staffing standard for SCCD DPS is appropriate for meeting the stated goals of the District and ensuring basic service delivery. Below is the proposed staffing schedule for DPS personnel:

The Sergeant/Supervisor would be scheduled to work in the afternoon shift, which allows him/her to perform multi-purpose roles. First, the Sergeant/Supervisor assists the chief to ensure supervisory oversight of line public safety officer performance. Second, the Sergeant/Supervisor acts as a first responder for calls that require a sworn officer. And finally, the Sergeant/Supervisor will be the “Acting” Chief of DPS when the Chief is absent.

The on-call sergeants/ supervisors, detectives and public safety officers will be called into work on a as needed basis.

Vehicle leasing through Solano County Fleet is the most efficient and cost-effective way to acquire law enforcement vehicles at this time. Solano County Fleet will provide SCCD DPS personnel with two “full package” vehicles which will consist of light bars, radios, Mobile Data Terminals (MDTs), in-dash cameras and many other equipment that normally come in a complete law enforcement vehicle.

There will be no start up or a one-time cost for leasing these vehicles from Solano County Fleet. Since DPS sworn personnel will not have to travel up and down Solano County on a regular basis the maintenance cost and the life of these vehicles should last longer than most other law enforcement vehicles due their low usage. SCCD will pay Solano County Fleet $816.92 a month for the lease of each vehicle. It will be a 3-year lease with an option for year 4 and 5.

Solano County Fleet charges each vehicle $.18 a mile for maintenance cost each month. The maintenance service agreement will cover items such as oil change, brakes, tires and other routine and minor repairs. Each vehicle will be covered by a 3 year/30K mile warranty.

Based on data from the patrol vehicles assigned at the college for the past six years the average monthly mileage driven by each vehicle is approximately 500 miles. This means the maintenance cost for each vehicle each month will be approximately $90 each. So, for two vehicles the maintenance cost each month will be $180.

Range training, case law updates and qualifications will be under the supervision and guidance of the DPS Rangemaster. These types of training will occur quarterly with one annual qualification per year. The Rangemaster will develop and oversees the DPS firearms “range” training. The Rangemaster will be responsible for administering the training and ensuring compliance with DPS’ firearms policy and training procedures. The rangemaster will be a certified State of California P.O.S.T. Firearm Instructor.

All range training will be conducted at the Art Koch Range & Training Facility located in the City of Fairfield. The Fairfield Police Department owns and operates the state-of-the-art training facility and indoor rifle and pistol ranges. The 39,000 square foot building houses various amenities which is conducive to the learning and training environment.

SCCD DPS can enter into an annual rental agreement with the Fairfield Police Department to rent the facility for their range training. The cost of this rental agreement will be approximately $1,200 for the four 4-hour range sessions each year.
The startup capital expenses for a stand-alone SCCD DPS seems low and this is due to many different reasons. Some of these reasons are because SCCD does not have to purchase or lease a building for DPS, buy a plethora of dispatching equipment or have to purchase a bunch of police vehicles. SCCD DPS personnel can immediately operate from the building that the Solano County Sheriff’s Officer personnel currently occupies at the Fairfield campus. Most of the equipment and support services DPS will need to sustain operations and be effective in their roles will be paid through annual service or leasing contracts thus they can budget for these expenses each year.

The above listed annual budget proposal for SCCD DPS is based on what Superintendent/President Dr. Esposito-Noy had envisioned for staffing levels and services. The proposed listed annual salary and benefits for DPS employees were determined to be fair and competitive after an extensive research of salary and benefits for similar campus safety positions with other community colleges and the security industry in California.

AMENDMENT TO AGREEMENT

PARTIES

This First Amendment to Agreement ("Amendment") is entered into between Solano Community College District ("District") and Consolidated Engineering Laboratories (CEL) ("Consultant"), (collectively the "Parties").

RECITALS

WHEREAS, District and Consultant entered into a Consulting Services Agreement ("Agreement"), dated April 7, 2021, for services related to the Steel Frame Outdoor Covered Welding Shop Area Project;

WHEREAS, District and Consultant desire to amend the Agreement to acknowledge additional efforts required to complete the remaining special inspections and testing;

NOW THEREFORE, in consideration of the mutual promises and covenants set forth above and contained herein, District and Consultant agree as follows:

AGREEMENT

1. Section 4 of the Agreement is amended to read in its entirety:

Compensation. District agrees to pay the Consultant for services satisfactorily rendered pursuant to this Agreement a total fee not to exceed TWELVE THOUSAND NINETEEN DOLLARS AND NINETEEN CENTS ($12,019.31) which is composed of the original contract amount of $10,610.12 and Amendment #1 of $1,409.19. District shall pay Consultant according to the following terms and conditions:

4.1 Payment for the Work shall be made for all undisputed amounts based upon the delivery of the work product as determined by the District. Payment shall be made within thirty (30) days after the Consultant submits an invoice to the District for Work actually completed and after the District's written approval of the Work, or the portion of the Work for which payment is to be made.

4.2 The Services shall be performed at the hourly billing rates and/or unit prices included in Exhibit "B". If hourly billing applies, the itemized invoice shall reflect the hours spent by the Consultant in performing its Services pursuant to this Agreement.

4.3 If Consultant works at more than one site, Consultant shall invoice for each site separately.

4.4 Consultant shall only be paid for the time and effort needed to complete the actual scope of services required for this project; which may be less than the total amount noted in section "4. Compensation". If the total amount noted is not needed to complete the scope of services, any remaining balance shall be retained by the District.

4.5 Except as set forth in this Amendment, all provisions of the Agreement and any previous extension(s) and/or amendment(s) thereto shall remain unchanged, in full force and effect, and are reaffirmed. This Amendment shall control over any inconsistencies between it and the Agreement and/or any previous extension(s) and/or amendment(s).

4.6 Consultant acknowledges and agrees that this Amendment shall not be binding on the Parties until and unless the Solano Community College District’s Governing Board approves this Amendment.
IN WITNESS WHEREOF, the parties hereto have accepted and agreed to this Amendment on the dates indicated below.

SUBJECT:  CONTRACT AMENDMENT #2 TO NOLL & TAM
ARCHITECTS FOR PROFESSIONAL SERVICES FOR THE
LIBRARY/LEARNING RESOURCE CENTER PROJECT
(BUILDING 100 REPLACEMENT)

SUMMARY:

CONTINUED FROM THE PREVIOUS PAGE

During construction, several requests were made by both the contractor and the District to
increase the contract scope of the design team in order to improve the project for the District and
allow for more efficient work by the contractor. Additionally, delays to the project schedule as a
result of COVID-19 have resulted in requiring the design team to remain on the project longer
than originally agreed upon. The agreement with Noll & Tam Architects to increase their fee is in
consideration of the costs associated with those requests and the COVID-19 pandemic.

                                $ 2,992,309.00   Original Contract Amount
                                $ (100,000.00)   Previously Approved Amendments (1)
                                $ 80,998.00       Proposed Amendment #2

                                $2,973,307.00   New Contract Amount

The Board is asked to approve this contract Amendment #2 to Noll & Tam Architects in an
amount of $80,998.00.

The contract amendment is available online at: http://www.solano.edu/measureq/planning.php
AMENDMENT NO. 2 TO
AGREEMENT FOR ARCHITECTURAL SERVICES

This Amendment No. 2 to the Agreement for Architectural Services (“Amendment”) for the Library/Learning Resource Center Project (Building 100 Replacement) at Fairfield Campus, is made and entered into this 20th day of October, 2021, by and between the Solano Community College District (“District”) and Noll & Tam Architects (“Architect”) (each a “Party” and, together, “Parties”) as follows:

RECITALS

WHEREAS, the Parties entered into the Agreement for Architectural Services on November 1, 2017 (“Agreement”), relating to the Library/Learning Resource Center Project (Building 100 Replacement) at Fairfield Campus, located at 4000 Suisun Valley Road, Fairfield, CA 94534 (“Project”), as further described in the Agreement;

WHEREAS, pursuant to the Agreement, Architect’s contract price for architectural services (“Services”) satisfactorily rendered is a not-to-exceed amount of Two Million Nine Hundred Ninety-Two Thousand Three Hundred Nine and 00/100 Dollars ($2,992,309.00) (“Fee”);

WHEREAS, at this time, the Parties wish to amend the Agreement to increase the Fee amount by Eighty Thousand Nine Hundred and Ninety-Eight and 00/100 Dollars ($80,998.00) for costs incurred by the District resulting from various additions to the project scope and delays due to COVID-19 for the Project, as more particularly described in Exhibit “1” attached hereto and incorporated herein by this reference;

WHEREAS, the new Fee will be Two Million Nine Hundred Seventy-Three Thousand Three Hundred and Seven and 00/100 Dollars ($2,973,307.00); and

NOW, THEREFORE, in consideration of the mutual promises and covenants set forth above and contained herein, the Parties agree as follows:

1. Amendments to Agreement.

1.1 Fee. Article 6.1 of the Agreement, Fee and Method of Payment, shall be deleted in its entirety and amended to read as follows:

6.1. The District shall pay Architect for all Services contracted for under this Agreement an amount equal to the following (“Fee”):

An amount equal to Two Million Nine Hundred Seventy-Three Thousand Three Hundred and Seven and 00/100 Dollars ($2,973,307.00) based on the rates set forth in Exhibit “D.”

1.2 Release. Article 28 shall be added to read as follows:

28.4. Release of Claims by the District

Except as reserved in section 28.4.1 below, the District releases and discharges all claims of every kind whatsoever (including, without limitation, claims for breach of contract, breach of fiduciary duty, negligence, breach of statutory duties, compensatory damages, direct/indirect/consequential damages,
liquidated damages, interest, penalties, punitive damages, specific performance, injunctive or declaratory relief, costs, attorneys’ fees and/or expert fees) ("Released Matters"), which the District and/or any of its agents, trustees/directors, representatives, employees, predecessors, successors, and/or assigns, asserts or could assert against Architect, its agents, subcontractors, suppliers, shareholders, representatives, sureties, insurers, employees, predecessors, successors, and/or assigns, based upon or arising out of Construction Change Document No. 9.

28.4.1. Matters Not Included in the Release

The Released Matters do not include, and the Parties do not discharge, waive, or otherwise negate any covenants, duties, or warranties, or claims for indemnity and contribution therefor, which may exist in the Agreement and/or Amendment and survive completion of the Project and final payment, and/or relate to a latent deficiency as defined in Code of Civil Procedure section 337.15. Further, it is the intent of the Parties that this Amendment does not discharge, waive, or otherwise negate any contractual indemnity or insurance obligation, which may survive completion of the Project and final payment. Such obligations, rights, and defenses remain in full force and effect notwithstanding this Amendment.

28.5 Release of Claims by Architect

Architect releases and discharges the District from any and all claims, claims for indemnification or contribution, complaints, causes of action, demands, liabilities, losses, or damages, including attorneys’ fees and costs, experts’ and consultants’ fees and costs, known or unknown, which Architect may now or hereafter have against the District based upon or arising out of Construction Change Document No. 9.

2. Other Provisions Reaffirmed

All other provisions of the Agreement shall remain in full force and effect and are reaffirmed. If there is any conflict between this Amendment and any provision of the Agreement, the provisions of this Amendment No. 1 shall control.

IN WITNESS WHEREOF, the Parties have executed and entered into this Amendment No. 1 as of the date set forth above.

SUMMARY:

Board approval is requested for award of a professional services agreement to Aedis Architecture for design services for the Building 700 and 800 Roof Replacement Project. The roof systems for Building 700 and 800 have passed their life expectancy and currently allow water to intrude the building in several locations. This project is to demolish and remove the existing built-up roofing system and install a new thermoplastic polyolefin (TPO) roofing membrane system, including all new flashing and coping.
