

## Solano Community College Registered Nursing Program

### **TEAS EXAMINATION FOR PROSPECTIVE APPLICANTS**

In compliance with the Chancellor's Office, all Solano nursing applicants are required to take the "Test of Essential Academic Skills (TEAS)" developed by the Assessment Technologies Institute. For admission to the SCC Registered Nursing Program, a minimum passing composite score of 62% is required within an applicant's first two (2) attempts. Further information can be found on the <http://www.atitesting.com/solutions/pre-program/TEAS-Discover.aspx> website regarding TEAS preparation and testing.

The test will be administered in the Assessment Office (Room 442) at Solano Community College in July 2018. Seats will be available for prospective applicants *by appointment only*, and at *no charge*. Please check our site frequently for updates and instructions.

Scores from TEAS exams taken at SCC are automatically sent to the Nursing Program and applicants will be able to access their scores online soon after having completed the exam.

Applicants may take the TEAS exam at another location at their own expense. Registration information can be found on the ATI website at [www.atitesting.com/solutions/pre-program/TEAS-Discover.aspx](http://www.atitesting.com/solutions/pre-program/TEAS-Discover.aspx). Scores should be sent to Solano Community College.
