

Solano Community College Registered Nursing Program

TEAS EXAMINATION FOR PROSPECTIVE APPLICANTS

In compliance with the California Community College Chancellor's Office, all Solano nursing applicants are required to take the "Test of Essential Academic Skills (TEAS)" developed by the Assessment Technologies Institute. For admission to the SCC Registered Nursing Program, a minimum passing composite score of 62% is required within an applicant's first two (2) attempts. Further information can be found on the ATI website at www.atitesting.com regarding TEAS preparation and testing.

Prospective applicants should visit the ATI website to register for and submit payment to take the exam online or at a location that may be available for face-to-face testing. Information may be found at <https://www.atitesting.com/>. Please note your ATI username and password for future reference. Please request to have ATI send scores directly to Solano Community College. Please note that since SCC is complying with current state and county restrictions due to COVID-19, there will be no TEAS testing on campus until further notice.

All applicants applying in September 2021 must have their official scores sent to SCC by no later than September 30, 2021.

Please direct any questions to registered.nurse@solano.edu. Telephone calls will not be accepted.

Thank you.
