

Math 18

Exploring Math & Science Teaching

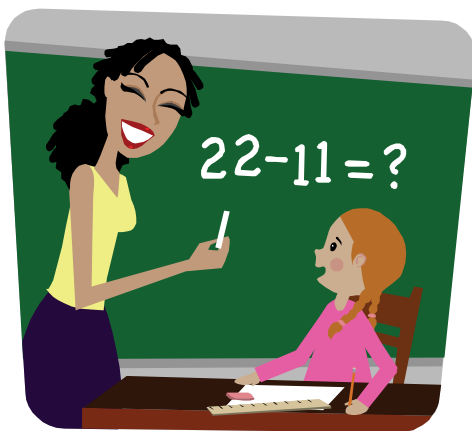

Date: Spring 2009, January 26—May 18

Time: Mondays, 12:30—2:30 pm

Location: Vacaville Center

2000 N. Village Parkway, Vacaville

Prerequisite: Math 104, Intermediate Algebra

This fun math course is for students who want to explore teaching as a career opportunity or for students who would like to help their own children learn math or science! An internship of two hours per week in an elementary school classroom is required and can be arranged to fit your schedule.
