Dear Mr. Davini,

Pursuant to the Notice to Bidders (Document 00 11 16) and the Instructions to Bidders (Document 00 21 13), in the above mentioned project specifications, Solano Community College District has made the decision to reject all bids submitted for Building 1200 Theater Renovation, Increment 1 Selective Demolition and Abatement work.

This project will be bid again in the near future. We hope to have your participation. We appreciate your interest in this project and hope that PALS will continue to consider Measure Q projects in the future.

Sincerely,
