

**SOLOANO COMMUNITY COLLEGE DISTRICT
CAPITAL IMPROVEMENT PROGRAM
REQUEST FOR QUALIFICATIONS (RFQ #16-006)
COMMISSIONING AUTHORITY (CxA) SERVICES POOL NOTIFICATION**

Solano Community College wishes to thank each firm for their interest in our process to establish a CxA Services Pool per RFQ #16-006. We understand that submitting an SOQ is time consuming. The District appreciates your efforts and thanks you for your interest in this RFQ and your time in submitting an SOQ.

There were six SOQs submitted and after careful review and deliberation by the review committee, the District has chosen to include all six firms in the initial pool for the Measure Q Bond Program.

The six firms listed in alphabetical order are:

- 3QC, Inc.
- Engineering Economics, Inc.
- Enovity, Inc.
- Glumac
- Guttman & Blaevot
- Interface Engineering, Inc.

This pool of firms will be formally approved and established at the February 17th, 2016 Board of Trustees meeting.
