NOTIFICATION OF SELECTION**

Solano community college wishes to thank each firm for their interest in our process to select a mechanical engineering firm per RFQ #16-009. We understand that submitting an SOQ is time consuming. The District appreciates your efforts and thanks you for your interest in this RFQ and your time in submitting an SOQ.

Three SOQs were submitted, after careful review and deliberation by the review committee, the committee is recommending awarding the contract for this project to EDesignC Incorporated.

This recommendation and selection will be formally approved and established at the April 20, 2016 Board of Trustees meeting.
