However, that Amendment should have been labelled Amendment #2 and it should have recognized Amendment #1.

Because the intent of the Board item was clear and the work was needed in early April, staff revised the Amendment and executed it. Board ratification is now requested for the attached Amendment #2 to increase the original professional services agreement with Valley Relocation and Storage for additional move services needed for the Room 604 Renovation Project. This Board item replaces the March 21, 2018 Board item.
