**BACKGROUND**

In November 2012, the voters approved Bond Measure Q for facility improvements at Solano Community College District ("District"). Funding is planned for new construction and renovation of classrooms, other buildings, and infrastructure.

At this time, the District is seeking to refresh its pool of qualified firms to provide DSA Project Inspector Services for various capital projects. The pool will include four (4) to six (6) firms who understand the wide range of inspection needs inherent to community college bond programs, who are sufficiently experienced to meet those needs, and are located within a reasonable distance from the District's campuses. The selected firms will be directly responsible to the Division of the State Architect (DSA) for oversight and management of all inspection-related tasks for a given project. Experienced firms interested in being considered for inclusion in this pool must submit a Statement of Qualifications ("SOQ") as set forth in this Request for Qualifications ("RFQ"), which defines the services sought by the District and generally outlines the requirements for submittal. The actual number of teams selected for the pool will vary based on qualifications and the right fit for the District. **Selection into the pool does not guarantee selection for any specific project.**

Respondents to this RFQ must mail or deliver, in a sealed package; one (1) unbound hard copy, three (3) bound copies and one (1) electronic copy (disk or flash drive, Word or PDF format) of the SOQ as further described herein, to:
