

New Student Admissions Process

Ensuring Priority Registration

The earlier you complete this process, the better chance you have to meet all requirements in time to get a priority registration date.

1. Complete Your Application

Complete the online admissions application at solano.edu or pick up a paper application at the Admissions Office.

2. Orientation/Information Workshops

A 1.5 to 3-hour evening session (see schedule provided on the following page for dates, times, and locations) during which students will learn about the following:

ORIENTATION TOPICS	
General Education (GE) Requirements	Choosing a Major
TAG (Transfer Agreement Guarantees)	Choosing Classes
Degree & Certificate Programs	Schedule of Classes & Catalog
Registering for Classes	Planning Your Path to Success
Preparing for the Assessment Test	Placement Measures for Math and English

3. Assessment

Assessment tests are offered throughout the academic year. You should participate in orientation before you take your tests to ensure you are prepared. The Assessment Center has limited seats, signing up in advance is required via solano.edu/assessment or by calling (707) 864-7118.

4. Student Educational Plan (SEP)

Students are strongly encouraged to meet with a counselor to develop a Student Educational Plan. The SEP is an educational roadmap of courses intended to assist you in achieving an associate degree, certificate, or transfer preparation.
