Notes, Etc.

- Head Coach Matt Borchert is in his 10th season, the longest tenured coach in SCC women's basketball history. He is 36 wins away from becoming the winningest coach in program history.
- The Falcons are going for their third straight Bay Valley Conference title and ninth in program history. The last time a team three-peated was 1994-1998.
- Sophomore forward Soroya Blunt, who moved into the top ten in single season rebounding (329) last year, looks to add to her total and move into the all-time career rebounding list.
- Sophomore Bree Domingo looks to increase her career assist numbers after posting one of the best seasons at point guard in the last 10 years.
- Some numbers to consider: 57 percent of last year's scoring returns in 2009-10; 56 percent of last year's rebounding returns; 63 percent of last year's assists returns; 52 percent of last year's steals returns; 75 percent of last year's 3-pointers returns.
