

Solano College women's basketball

Adopt-A-Player Program

It's easy, fun and rewarding to support the Solano women's basketball program this season!

About the Falcons:

The Solano Community College women's basketball program has one of the richest traditions of success in the state of California. The Falcons have brought home 10 Bay Valley Conference championships, advanced two teams to the State Final Four and had many players move on to four-year colleges and universities around the nation. The coaching staff, which led the team to four straight BVC titles from 2007-11, strives to keep the area's top local talent in Solano County so they can continue playing the sport they love in front of family and friends.

With your help, we hope to have another championship season!

The benefits:
