POLICY: Students failing to maintain an acceptable standard academic achievement shall be placed on academic probation, progress probation, or be disqualified.

For purposes of probation and dismissal, semesters shall be considered consecutive, not in their calendar order of succession, but in the order in which a student enrolls in them. The semester in which performance causes one to be placed on probation is the first probationary semester.

Academic Probation

1. A student has attempted at least 12 total semester units and has achieved a cumulative grade point average of less than 2.0.
2. A student is readmitted to college after academic disqualification.

B. Removal from Academic Probation

A student on academic probation is removed when his/her cumulative GPA is 2.0 or higher.

Progress Probation

A. Placement on Progress Probation

A student shall be placed on progress probation for the following reason:

1. A student has enrolled in a total of at least 12 semester units and received transcript entries of "W", "I", or "NC" for 50% or more of all units attempted.

STANDARDS FOR PROBATION AND DISQUALIFICATION

Policy #5100

I. PROCEDURES

1. Students will be placed on Academic Probation when the total units in which grades of A, B, C, D and F were received at Solano Community College is 12 or more and the calculated grade point average is less than 2.0 for either the semester or cumulative G.P.A.
2. Students will be placed on Progress Probation when the total units enrolled is 12 or more and for which entries of I, W, or NC equals or exceeds 50%.

(For purposes of Progress Probation, transcript entries of A, B, C, D, F, W, I, CR and NC are counted for units enrolled.)
3. Students placed on probation will be notified on the student grade report. Students that are disqualified will be notified by the Office of Admissions and Records.
4. The student on probation should see a counselor to review academic standards for maintaining satisfactory progress.
5. Students who are dismissed for poor academic achievements must petition the Academic Council for readmission. A petition may be filed if extenuating circumstances exist which caused the substandard grades, or the student must remain out of school for one semester excluding a summer session.
6. A Counselor will review academic standards with the student and recommend readmission after disqualification. The petition for readmission must contain written comments from the Counselor prior to review by the Dean of Admissions & Records. The Academic Council will hear appeals and recommend conditions of readmission or denial of readmission.
7. Students that have been readmitted after disqualification and achieve a semester G.P.A. of 2.25 or greater with no transcript entries of W, I or NC and whose cumulative G.P.A. remains under 2.0, will be automatically readmitted for the ensuing term.
8. For purposes of progress probation, the total units enrolled will begin to accumulate with the Summer 1996 term.
