STAYING COMMITTED AND CONNECTED March 2, 2020

## Message from the President | COVID-19

Many thanks to Myron Hord and the maintenance and custodial staff who quickly responded to the Solano County Department of Public Health's recommendations to sanitize common areas and practice frequent hand washing in response to the recent report that a Solano County resident tested positive for the virus. Soap dispensers were refilled, hand sanitizers placed in

hallways, and cleaning supplies were distributed to offices within hours following the notification Thursday afternoon. Additional thanks to Rob Diamond who quickly headed to Costco to purchase Clorox wipes for the computer labs and IT equipment.

Please continue to take the necessary precautions to keep yourself and others healthy. If you are sick, please stay home and direct your students to do the same. Some faculty have expressed concern about taking class field trips to crowded areas. If you are able to postpone the field trip, please do so. We will continue to update the campus community as we receive notifications from public health.

### Stay Healthy Solano

Solano College is aware of the recent reports regarding the Coronavirus & is taking precautions to protect staff & students.

#### CDC Recommendations:

Wash your hands frequently

Cover your nose & mouth when sneezing or coughing

Stay home IF you are sick

If you feel you have symptoms of the virus, please contact your health care provider or Department of Public Health.

## Master Auto Service Tech Program Receives Accreditation

Congratulations to the Automotive Technology Program! They received

word last week that complete evaluation results of the Automobile Standard technician-training program at SCC has been received and reviewed. It was announced that the program meets the strict industry standards required for ASE Program Accreditation in: Master Automobile Service Technology.

The ASE Education Foundation Team said that "both the educational and

automotive communities should be proud of your commitment to quality Automobile training programs."

This accreditation is good for the next ten years.

## Subaru-U Coming to SCC Auto Program

More good news for our automotive program. They have been selected for participation in the Subaru-U program.

From Subaru-U:

*"This partnership brings with it many benefits to your students and your entire automotive program. The SU concept is a true partnership between Subaru, your school and our retailer network. I encourage you to keep open lines of communication between you and your local Subaru retailer(s). Let them know what is new in your program, invite them to be a part of your Advisory Committee, and ask them to speak to your students about the trends and opportunities in the automotive industry. Communication between the educators and the retailers is the key to the success of this program... thank you for your support of Subaru-U and remaining dedicated to developing the next generation of automotive technicians."*

## SOAR Event | College Behind Bars

SOAR and PBS KVIE presented a night of film and discussion with the screening of "College Behind Bars."

The four-part documentary film series, directed by award-winning filmmaker Lynn Novick, produced by Sarah Botstein, and executive produced by Ken Burns, tells the story of a small group of incarcerated men and women struggling to earn college degrees and turn their lives around in one of the most rigorous and effective prison education programs in the United States – the Bard Prison Initiative.

The screening was followed by a panel discussion moderated by PBS KVIE featuring two alumni of the Bard Prison Initiative, Salih Israil and Tamika Graham.

**Softball:** The Solano softball team split a doubleheader with Diablo Valley on Thursday afternoon, edging the Vikings, 9-8, in the front end before falling, 8-6, in the finale.

In the first game, freshman **Gaby Ibarra** earned the go-ahead RBI on a base on balls to score freshman **Lexy Aguilar**. Sophomore **Hailey Enriquez** led off the inning with a double, her second hit of the game. Four Falcons recorded two-hit games led by Enriquez and Ibarra. Sophomore **Cecily Kaluza** (2-3) earned the win after throwing six innings in relief, scattering seven hits and only allowing a pair of earned runs.

Solano held an early lead in the second game heading into the fifth inning. The game was knotted at six runs apiece going into the sixth, but the Falcon offense was unable to match the Vikings after they scored two in the top half of the inning.

Freshman **Lyndsey Urricelqui** counted a 3-for-4 outing with a RBI, while freshmen **Danyelle Early** and **Ari McIntyre** each earned a pair of hits. McIntyre counted a double and a pair of RBI.

In the circle, McIntyre (2-3) was charged with the loss after throwing five innings, allowing only two earned runs with three strikeouts.

**Baseball:** The Solano baseball team was edged in the eighth inning by LA Mission, falling 4-3 in the series finale on Saturday afternoon.

Freshman third baseman **Eli De Guzman** led the Falcon offense with a 2-for-4 outing with a double and two RBI.

On the mound, freshman reliever **Nate Mandrik** (0-1) was charged with the loss, allowing three earned runs on four hits and three walks in 4.1 innings pitched.

Solano (3-12) returns home to open Bay Valley Conference play, hosting Mendocino on Tuesday, Mar. 3 at 2 p.m.
