

SOLANO COLLEGE PUENTE PROGRAM

Preparing Students for Transfer

Are you planning to transfer to a four-year college and want to be part of a unified group of highly motivated students?

Our mission is preparing students for transfer, where they can then earn degrees and return to the community as leaders and mentors to future generations.

What is the PUENTE Program?

- PUENTE students are part of a cohort of students taking English and Counseling courses, building a sense of community with an emphasis on the Latino experience
- The PUENTE program helps students with study skills and staying on the right track to success
- PUENTE provides opportunities to tour local CSU and UC campuses
- The PUENTE program assists in finding scholarships and connects students with a mentor in the community
- The PUENTE program is open to ALL students
