1. (a) Call to Order
   In Dr. Laguerre’s absence, Trudy Largent called the meeting to order at 2:12 p.m.

   (b) Approval of Agenda

   (c) Approval of Minutes
   It was moved by Lillian Nelson and seconded by Tom Grube to postpone approval of all of the minutes until the next SGC meeting. The motion carried unanimously.

2. PERT (Process Evaluation & Review Team)
   Jeff Lamb reported that the PERT met last week, and all members seemed to have a renewed sense of commitment and energy for the process. PERT received good feedback recently from FABPAC; e.g., they received an example of a detailed budget to use when creating proposals; proposals will go to FABPAC before SGC so financial review is complete prior to the proposals being submitted to SGC for approval; PERT will look at what initiatives are going on around the College; and PERT will focus on keeping proposals in line with the Strategic Plan. With regard to Goals and Objectives, the Deans are working with their constituents to describe how a goal is reached.

3. Accreditation – Writing Reports
   Jeffrey Lamb advised that, with the exception of Recommendation #6, the Working Groups for the Special Report due October, 2010, are set and moving forward. He and Connie Adams are working on the Wiki so everyone will be able to use it. With regard to the Self-Study, due October 2011, Jeff stated that he is hoping to receive reports from those Working Groups prior to the summer break.

4. Policy and Procedures Numbering (SCCD’s vs CCLC’s)
   Trudy Largent explained discussion has taken place concerning SCCD’s Policy numbering and the CCLC’s Policy numbering system not being in sync and should the College renumber its Policies to match the CCLC’s numbering system. It was pointed out that some areas are unique to Solano Community College and suggested that the SCCD numbering system remain the same, however, the College policies should reference the corresponding CCLC Policy number and date of the latest CCLC update.
5. Policies 5580, 5590, 5680 and Procedures to Policies 5200 and 5580
It was moved by Lillian Nelson to approve the changes recommended for Policies 5580, 5590, and 5680 and move forward with the recommended Procedures for Policies 5200 and 5580. Sheryl Scott seconded the motion. The motion carried unanimously.
