Review of Conflict of Interest Law Related to Alternates for Council Members and Strategic Proposals Selection Process

It was moved by Gabriel Johnson and seconded by Jim DeKloe to move this agenda item from #6 to #5.

The motion passed unanimously.

Chair, Interim Vice President White, shared with the Council *Title 2, Division 6, California Code of Regulations Section 18730 Provisions of Conflict of Interest Code* as it relates to alternates and the strategic proposal process. Shared Governance Council is bound by the Brown Act, so these provisions do relate.

It was moved by Jim DeKloe and seconded by Richard Crapuchettes to discuss this for a maximum of 10 minutes.

The motion passed unanimously.

There was discussion about advocating vs. voting and specifically whether a member of the Shared Governance Council could advocate for their own Strategic Proposal, and whether or not it would it is appropriate to rank or vote.

Chair Vice President White stated that the Council should be very mindful of the College’s Code of Ethics, which does contain a conflict of interest clause. ACCJC is trying to develop within institutions the importance of separating personal interests from the interests of the institution. Even if it is not the letter of the law, it is the spirit of the law. The Council should be mindful about conflicts. When it comes down to voting on something that benefits someone personally, it might be better to avoid the appearance of conflict.

After further discussion it was the consensus of that Council that there were three elements to be addressed: ranking (scoring), discussion of proposals, and voting.

It was moved by Jim DeKloe and seconded by George Olgin that during the ranking of strategic proposals a representative of an interest group that stands to benefit from the proposal will be able to speak to the proposal during the Shared Governance meeting, but will not rank nor vote on the proposal.

Aye: 3

Noe: 5

The motion was defeated.

It was then moved by Jim DeKloe and seconded by Gabriel Johnson that a representative of an interest group that stands to benefit from the proposal will be able to rank the proposal and speak to the proposal during the Shared Governance meeting, but will not vote on the proposal.
It was moved by Jim DeKloe and seconded by Richard Crapuchettes to extend the discussion for 3 minutes only.

The motion passed unanimously.

Jim DeKloe moved to close debate.

Aye: LaNae Jaimez, Jim DeKloe, George Olgin, Richard Crapuchettes, Gabriel Johnson, Maire Morinec, Robin Darcangelo

Noe: Kevin Anderson

Abstain: Lisa Raquel, Connie Barron-Griffin

Absent: Karen McCord, Debbie-Luttrell Williams, Jeff Lehfeldt, Waleed Arif

The motion for reconsideration passed.

A motion was then made by Jim DeKloe and seconded by LaNae Jaimez to place the original motion on the table.

Original motion: During the ranking of strategic proposals a representative of an interest group that stands to benefit from the proposal will be able to speak to the proposal during the Shared Governance meeting, but will not rank nor vote on the proposals.

The motion passed unanimously.

There was discussion concerning alternates for members. Chair, Interim Vice President White explained to the Council that the Brown Act allows for members to attend meetings by teleconference; however there is no provision for alternates. If a member is unable to attend,
someone can attend in their place, but their presence will not count toward a quorum nor will that individual have voting rights.

It was moved by Maire Morinec and seconded by LaNae Jaimez that in the event that a consistent group representative cannot attend a Shared Governance Council meeting they can send a representative to the meeting for public comments, but that they cannot be counted toward a quorum or for voting purposes.

There was discussion concerning the importance of each constituent group member being present at the meetings. ACCJC is looking for stability within our functions and having the same people part of the conversations for rating proposals, etc., and not having people coming and going.

Aye: 7

Abstain: 1 (Kevin Anderson)

The motion passed.

Chair Vice President White will send out an email to supervisors to let them know that attendance for Shared Governance Council members is a priority and it is very important for members to attend.

There was a question regarding proxy voting. LaNae Jaimez stated that the Academic Senate had looked into this and found that neither substitutes nor proxies were allowed.

Review of Brown Act

Council members were given copies of the Brown Act (in its entirety) for their review. Chair, Interim Vice President White will bring back a summary at the next meeting.

Task Force on Committees Update

Barbara Fountain reviewed with the Council proposed procedures for all campus Committees. This was brought for information and will return for action at the next meeting. The idea behind the procedures is to have a standard of operating procedures for all committees. A prime objective is to improve communication and tie into accreditation and institutional planning, making sure that all committees having minutes of meetings, and the minutes can be easily found when needed.

• Correctly charging for all transcript requests; currently many are free due to limitations in Banner
• $5,000 mini grant awarded if completed by end of June 2013
• Faster transmission to other schools (3 day max)

The motion passed unanimously.
