

Solano Community College
Institutional Learning Outcomes (ILOs)

Given the diversity of educational goals of our students and the length of their study, they will be proficient in the following areas to the extent required of their courses and/or program of study. These outcomes are neither course nor program specific but are meant to be applicable to all students.

1. **Communication**
Students will develop their reading, writing, listening, and speaking skills.
2. **Critical Thinking and Problem Solving**
Students will apply knowledge and skills in novel ways to discipline-specific situations.
3. **Personal Responsibility and Workplace Skills**
Students will obtain professional skills applicable to the classroom, workplace, and/or community at large.
4. **Global Awareness**
Students will increase knowledge of social, economic, and environmental trends from local to global perspectives.
