

## 2019-2020 Intersegmental General Education Transfer Curriculum (IGETC) – Option B

The Intersegmental General Education Transfer Curriculum (IGETC) is a series of courses that allows community college transfer students to fulfill lower-division general education requirements either at the UC or the CSU system. The IGETC pattern is most useful for students who want to keep their options open before making a final decision about transferring to a particular UC or CSU campus. Completion of IGETC does not guarantee admission, nor is it generally required for admission. IGETC is not appropriate for some majors. A Transfer Studies Certificate of Achievement may be achieved upon successful completion of the IGETC Pattern. Please see a counselor for additional information and guidance.

**Note:** All courses used for IGETC must be completed with a minimum grade of C and must be IGETC approved at the time the course is completed.
