**English and Math Enrichment**

The English and Mathematics Enrichment programs will be open daily Monday - Thursday, during the afternoon hours of June 16th – August 7th. Math enrichment will take place in the Academic Success Center (Building 100, Room 101), and English enrichment will take place in the transfer-center (Building 400, Room 402) at Solano Community College. Students will work (as scheduled per student) with mathematics and English faculty on problem solving and critical thinking skills, as well as participate in a self-paced practice supported by faculty and tutors for strengthening their math and English skills to ensure preparedness for their placement test success and fall semester courses. Materials will be provided by faculty and tutors.
Math Enrichment

Dates: July 1, 2, 3, 8, 9 & 10
Time: 1PM
Location: Academic Success Center Room 101

In conjunction with the Math program offered by the Math department, students will be assessed and will then participate in a self-paced computer based enrichment program. Students will be provided with the opportunity to review and upgrade their math skills. This will help determine the best math class to enroll in for the Fall semester. Umoja students will work on their assignments on campus supported by an instructional assistant in the morning (Transfer Center 402). Daily work will include problem solving and critical thinking skills. Students will be supported by Math faculty and an instructional assistant to strengthen their math skills. Participants will prepare for the subsequent Fall semester mathematics courses. All levels may participate.

English Enrichment

Dates: July 14, 15, 16 & 17
Time: 3PM – 5PM
Location: Transfer Center, Building 400, Room 402

English enrichment will emphasize skills review, focusing on improving reading, writing, and critical thinking skills. This segment will be taught by an Umoja English Instructor and supported by an Instructional Assistant.
