Matriculation - A process which brings a college and a student who enrolls for credit into an agreement for the purpose of realizing the student’s educational objective. A primary part of matriculation is the assessment, orientation, and counseling of new non-exempt students. The following students are exempted from the matriculation process: 1) Students who have completed an Associate degree or higher; 2) students who seek to enroll in noncredit courses only; 3) students indicating an education goal of job skills (to maintain current job), personal interest (not for employment), complete credits for high school, or maintain certificate or license (i.e., nursing, real estate).

Students participate in class by sharing thoughts and ideas with message boards and other electronic means. There is no set time when students must be at their computers. The structure keeps the class on track and focused on the same educational goals while allowing an escape from the demands and conflicts of traditional college courses.

Student Load - The number of class units which a student takes in any given semester. A full student load is twelve or more units. A normal full-time class load is fifteen units.

Tech Prep - A seamless vocational curriculum partnership between participating high schools and Solano Community College which leads to technical proficiency/certification and job placement.

Transcript - A list of all courses taken at a college or university showing the final grade received for each course. Official transcripts bear a seal of the college and signature of a designated college official and are sent directly from one institution to another.

It is against the law to alter, forge, reproduce, sell, or loan your parking permit to another person. Parking permits are required each semester and during summer sessions. Faculty/Staff and reserved parking is enforced 7 days a week, 24 hours a day. All permits (semester and daily) must be clearly displayed. Motorcycles may park in designated motorcycle areas without cost or permits. Motorcycles parked in other areas require permits at the vehicle price.

PARKING ENFORCEMENT: During the first week of the fall/spring semester and during the first week of summer session, parking permits are not enforced in student lots 1-6. Thereafter, permit parking is enforced Monday-Friday, 7 a.m.—10 p.m. You must have a valid permit clearly displayed while parked on Solano Community College District property, including the Vacaville Center and the Vallejo Center. All other regulations and vehicle code violations are enforced 24 hours a day, 7 days a week.

FAIRFIELD CAMPUS, VACAVILLE AND VALLEJO CENTERS: A parking permit is required to park at the Fairfield Campus, and the Vacaville and Vallejo Centers. Permits are $20 per each semester and $6 for Summer sessions. Parking for students is provided in clearly designated areas of the campus. Certain parking areas are reserved for visitors, for faculty and staff who hold permanent parking permits, and for handicapped persons. Student parking is provided in Lots 1, 2, 3, 4, 5, and 6.

DAILY PARKING PERMITS: Daily parking permits may be purchased from the permit dispensers located in each student lot at a cost of $1 per day ($1 bills or coins accepted). New daily permits must be purchased each day. If a permit dispenser is out of service, purchase a permit in an adjacent lot and notify the Police in Bldg. 1800B or call (707) 864-7131. Daily permits are valid in student parking only. Daily permits are interchangeable between the Fairfield campus and the Vacaville and Vallejo Centers.
