SCC is RIGHT for you!

QUALITY EDUCATION AT AN AFFORDABLE PRICE (see chart below)

As a full-time student at Solano Community College (SCC), you can expect to pay a little more than $1,080 in annual fees (30 units at $46/unit). You’d pay more than $5,778 a year at a California State University (CSU) campus and $11,893 at a University of California (UC) campus. SCC offers many financial aid options and scholarships to help you maximize your financial resources.

INCREASE YOUR EARNING POWER

SCC graduates earn as much as twice the State’s average wage in some cases. The average lifetime income of a SCC graduate with an associate degree is more than $1 million—about $250,000 more than a person with only a high school diploma. Employers also recognize the value of an SCC education. Many SCC students receive job offers immediately upon completion of our highly popular technology and healthcare career programs, for example.

TRANSFER TO A 4-YEAR UNIVERSITY

Solano Community College is the place to begin your B.A. degree! You are able to complete lower division general education and major preparation courses prior to transferring to any public, independent, or out-of-state college or university of your choosing. Solano students may be guaranteed admission to many UC and CSU campuses through Transfer Admission Guarantee (TAG) programs. It is important to work closely with your Solano counselor to develop an appropriate educational plan. Please visit the Transfer Center in Room 402 or ask your counselor for more information.

OUTSTANDING FACULTY

SCC faculty are recognized regionally, state-wide, and nationally for their excellence in the classroom. They’ve joined the SCC faculty because they love working with students.

PAY YOUR FEES

• Students are responsible for officially dropping their classes before the deadline. Non-attendance or non-payment of fees will not remove you from a class nor alleviate your responsibility to pay fees.
• Students who do not officially drop classes may receive an “F” for the term and incur a student debt. You may drop classes online or in person at the Office of Admissions and Records.

HEALTH FEE EXEMPTIONS
Since the provision of health services is very expensive and the California Community College system does not have sufficient funds to subsidize student health services, the State Legislature mandates that the burden of supporting a student health center will be shared by all Solano Community College students through a general fee, regardless of whether they utilize the health center or have their own insurance.

The following students are exempt from paying the mandatory health fee:
(1) Students who depend exclusively upon prayer for healing in accordance with the teachings of a bona fide religious sect, denomination, or organization.

(2) Students who are attending a community college under an approved apprenticeship training program.

Students who fall within any one of the two grounds for exemption may apply for a fee waiver by submitting a written request to the Office of Student Development.
