SCC IS RIGHT FOR YOU!

QUALITY EDUCATION at an Affordable Price
(see chart below)
As a full-time student at Solano Community College (SCC), you can expect to pay a little more than $1,080 in annual fees (30 units at $46/unit). You’d pay more than $5,778 a year at a California State University (CSU) campus and $11,893 at a University of California (UC) campus. SCC offers many financial aid options and scholarships to help you maximize your financial resources.

INCREASE Your Earning Power
SCC graduates earn as much as twice the State’s average wage in some cases. The average lifetime income of an SCC graduate with an associate degree is more than $1 million—about $250,000 more than a person with only a high school diploma. Employers also recognize the value of an SCC education. Many SCC students receive job offers immediately upon completion of our highly popular technology and healthcare career programs, for example. Associate of Arts and Science degree holders earn 22% more than those with a high school diploma.

TRANSFER to a 4-Year University
Solano Community College is the place to begin your B.A. degree! You are able to complete lower division general education and major preparation courses prior to transferring to any public, independent, or out-of-state college of your choosing. Solano students may be guaranteed admission to many UC and CSU campuses through Transfer Admission Guarantee (TAG) programs. It is important to work closely with your Solano counselor to develop an appropriate educational plan. Please visit the Transfer Center in Room 402 or ask your counselor for more information.

Outstanding FACULTY
SCC faculty are recognized regionally, state-wide, and nationally for their excellence in the classroom. They’ve joined the SCC faculty because they love working with students.

Solano Community College is now a SMOKE FREE CAMPUS
