In consideration for the promises contained herein, it is mutually agreed by and between the Parties as follows:

1. **Employment:**

   (a) Interim Superintendent/President shall be employed by the District as the Interim Superintendent/President of the Solano Community College District for the period beginning July 6, 2015, and ending December 31, 2015 or until such time as the District no longer requires the services of the Interim Superintendent. The Agreement may also be terminated at any time by either party giving thirty (30) days notice in writing to the other party., except as follows:

   (b) The net number of annual service days shall be two-hundred and forty-eight (248) including fourteen (14) non-work holidays, prorated as necessary, or as established by the calendar approved by the District Governing Board (hereinafter the “Board”) for each year.

   (c) It is expressly understood and agreed that under this Agreement, Interim Superintendent/President is to be employed on an interim basis not to exceed two years. This Agreement is not intended and shall not be construed as guaranteeing Interim Superintendent/President ongoing employment.

   (d) The Interim Superintendent/President serves at the pleasure of the Board and the provisions of this Agreement; any references contained herein or District Policies and Administrative Regulations shall not in any way grant the Interim Superintendent/President any due process rights in this administrative position or any other position in the District.

   (e) This agreement prevents the Interim Superintendent/President from applying for or accepting the position of Superintendent/President once it is advertised to the public.

   (f) Likewise, nothing in this Agreement should be construed as providing Interim Superintendent/President with any entitlement, priority or preference with regard to his application for any other position with the District.

   (g) Interim Superintendent/President represents that he is specially trained, experienced, and competent to serve an Interim Superintendent/President, and further satisfies the minimum qualifications applicable to the position of Interim Superintendent/President.

(b) **Salary Increase:** Any salary increase shall be determined by the Board and based upon an annual performance evaluation. Any adjustment shall be in writing, however, by so doing it shall not be considered that a new Agreement has been entered into, or that the termination date of the existing Agreement has been extended.

5. Termination:

(a) This Agreement may be terminated by any of the following events:

i. By expiration of this contract. This Agreement shall automatically expire on its stated expiration date, and this Agreement shall constitute notice. If the Board elects to reemploy the Interim Superintendent/President at the expiration of this Agreement, the Board shall notify the Interim Superintendent/President in writing at least sixty (60) days before the Agreement expires. The Interim Superintendent/President shall notify the Board seventy-five (75) days before the expiration of this Agreement of the Board’s right to consider his reemployment.

iv. Discharge for cause: Prior to exercising this option, the Board shall give the Interim Superintendent/President written notice of its intention, with a statement of the specific acts or omissions, which give rise to the proposed action. No action shall
be taken on a proposed termination for cause until the Interim Superintendent/President has had an opportunity to present to the Board, either in writing or at a meeting an explanation or defense.

The Interim Superintendent/President may be represented by counsel at the meeting at his own expense. Any decision to terminate for cause shall be effective upon the date determined by the Board. However, if the unexpired term of the contract is greater than eighteen (18) months, the maximum cash settlement shall be an amount equal to the monthly salary of the employee multiplied by eighteen (18). No other or additional non-cash settlement may be agreed to, except that health benefits may be continued, limited to the same restrictions as for cash settlement, or until new employment is found, whichever occurs first. A copy of this Agreement and any settlement shall be made available to the public upon request.

(c) Interim Superintendent/President shall notify the Board of his intent to apply for employment elsewhere and the reasons therefore. The Interim Superintendent/President shall further notify the Board if he becomes a candidate for employment elsewhere and of any interviews scheduled with another employer prior to the interview. The failure of the Interim Superintendent/President to follow these requirements shall be deemed to constitute a material breach of this Agreement, and the District may then terminate this Agreement with the Superintendent/President for cause as set forth above.

6. Evaluation:
Interim Superintendent/President shall receive a performance evaluation after six months of employment in accordance within the terms of this Agreement and the performance objectives for the term of this Agreement. The evaluation(s) shall be based on the position description and Board approved District goals and objectives in accordance with the procedures outlined in District policies. The performance goals shall be in writing and shall be treated in accordance with all applicable laws.

Interim Superintendent/President shall provide satisfactory or better services in the position of Interim Superintendent/President. The Board, in its sole discretion, reserves the right to assign, reassign and/or prioritize the responsibilities of the position in response to the needs of the District.

In the event that the Board determines by majority vote that Interim Superintendent/President’s performance is unsatisfactory, the Board shall describe in writing in
reasonable detail, areas of unsatisfactory performance, indicating specific instances where appropriate.

The evaluation shall include recommendations for improvement in all areas where the Board deems the performance to be unsatisfactory or in need of improvement. A copy of the written evaluation shall be delivered to Interim Superintendent/President and he shall have ten (10) days to make a written or oral response to the evaluation. The Board shall meet with Interim Superintendent/President in a timely manner to discuss the evaluation.

7. **Modification:**
   This Agreement may be modified, altered and amended at any time during its term by the mutual written agreement of the Parties hereto.

8. **General Provisions:**

   (a) **Governing Law.** This Agreement, and the rights and obligations of the Parties, shall be construed and enforced in accordance with the laws, rules and regulations of the State of California and the Board of Governors of California Community Colleges, all of which are hereby made a part of the terms and conditions of this Agreement as though fully set forth herein. In the event the terms of this Agreement conflict with any rule of law, rule, or regulation of the State of California or the Board of Governors of California Community Colleges in force on the effective date of this Agreement, the applicable law, rule or regulation shall govern.

   In addition, it is the expectation of the District that the rules, regulations, and policies of the District, to the extent that they do not conflict with this Agreement, shall provide guidance, structure and organization to the employment relationship. The guidelines contained within the aforementioned rules, regulations, and policies are neither exclusive nor comprehensive. The Board reserves its exclusive right to review and update, change, amend or terminate any of its rules, regulations, or policies at any time for any reason, with or without notice. Except as provided for herein and to the extent applicable, said updates, changes, amendments, or deletions shall be effective at the time implemented. In the event any provision of the District policies and/or District regulations conflicts with this Agreement, this Agreement shall supersede and be controlling, and the rights and obligations of the Parties under this Agreement shall govern. A “conflict” includes, but shall not be limited to, any difference in substance or procedure on the same subject matter than is set forth in this Agreement. The District’s interpretation of its own rules, regulations, and policies shall govern in the event there is any question as to whether any District rule, regulation, or policy conflicts with this Agreement.

   (b) **Entire Agreement.** This Agreement contains the entire agreement and understanding between the Parties. There are no oral understandings, terms or conditions, and neither party has relied upon any representation, express or implied, not contained in this Agreement. This Agreement cannot be changed or supplemented orally. It may only be modified and superseded by a written instrument executed by both of the Parties. This Agreement shall not be construed against the party who drafted this Agreement or any portion thereof.

   (c) **Legal Proceedings.** If Interim Superintendent/President is named as a party to a lawsuit, grievance, or administrative proceeding, or is the subject of a contested case, hearing, or any other action, brought against him in his individual or official capacity as Interim
Superintendent/President, which requires legal representation, the Board shall defend and indemnify Interim Superintendent/President in the manner required by California Government Code Sections 825 and 995. As required by law, a specific condition precedent to such defense and indemnification shall be cooperation by Interim Superintendent/President in such defense.

The choice of counsel is within the Board’s discretion. The District is required by the Government Code to provide such defense or, when defense is discretionary, the District exercises its discretion to provide for such defense. Interim Superintendent/President agrees to cooperate with the District and its legal counsel to the extent necessary to provide for the defense.

(d) **Severability and Savings.** Should any provision of this Agreement be found to be invalid, void or unenforceable by a court of competent jurisdiction, the remaining provisions of this Agreement shall continue to be binding and effective on the Parties. If any provision or any part of any provision of this Agreement is for any reason held to be invalid, unenforceable or contrary to public policy, law, statute and/or ordinance, then the remainder of the Agreement shall not be affected thereby and shall remain valid and fully enforceable.

(e) **Amendment.** This Agreement cannot be changed or supplemented orally. It may be modified or superseded only by a written instrument executed by both of the Parties.

(f) **Non-Waiver.** Non-enforcement of, or exceptions made to any portion of this Contract shall not constitute a waiver of that provision of this Agreement in the future. Any provision herein may only be waived in writing as an amendment to this Agreement. Any such waiver shall, under no circumstances, be deemed a waiver of any other portion of this Agreement.

9. **Disputes:**

In the event of a bona fide dispute as to breach, the Parties agree as follows:

(a) The Parties may agree to participate in mediation prior to submitting the matter to arbitration.

(b) No civil action concerning any dispute arising under this Agreement shall be instituted before any court. All disputes under this Agreement shall be submitted to final and binding arbitration.

(c) The formal arbitration will be conducted under the rules of the Commercial Arbitration Rules of the American Arbitration Association before a single arbitrator. All costs of the arbitration shall be divided equally between the Parties. The arbitrators’ award resulting from the arbitration shall be final and binding and may be confirmed and entered as a final judgment in any court of competent jurisdiction and enforced accordingly.

If any action at law or in equity is necessary to enforce or interpret the terms of this Agreement, the prevailing party shall be entitled to reasonable attorney’s fees, costs and necessary disbursements in addition to any other relief to which that party may be entitled. The Parties agree that in the event of litigation, venue shall be in the appropriate state or federal court located in Solano County, California. This provision shall be construed as applicable to the entire contract.

The Contract includes the terms and conditions as printed and set forth in this Agreement. Both Parties, by executing this Agreement, agree to comply with such terms and conditions.
IN WITNESS WHEREOF, the Parties have subscribed to this Agreement on the dates set forth above, including all documents as indicated with full knowledge of its content and significance and intending to be legally bound by the terms thereof:

REQUESTED ACTION: APPROVAL

SUMMARY:

An Election was held in the Solano Community College District (the “District”) on November 5, 2002 for the issuance and sale of general obligation bonds of the District for various purposes in the maximum amount of $124,500,000 (the “Authorization”).

AGENDA ITEM 14.(a)
MEETING DATE August 5, 2015

SOLANO COMMUNITY COLLEGE DISTRICT
GOVERNING BOARD AGENDA ITEM

TO: MEMBERS OF THE GOVERNING BOARD

SUBJECT: RESOLUTION AUTHORIZING THE ISSUANCE OF THE
SOLANO COMMUNITY COLLEGE DISTRICT (SOLANO
AND YOLO COUNTIES, CALIFORNIA) 2015 GENERAL
OBLIGATION REFUNDING BONDS, RESOLUTION NO.
15/16-04

REQUESTED ACTION: APPROVAL

SUMMARY:

CONTINUED FROM PREVIOUS PAGE:

(a) Resolution. This Resolution authorizes the issuance of the Refunding Bonds, in one
or more series of federally taxable or federally tax-exempt bonds. The Resolution authorizes
the issuance of the Refunding Bonds, specifies the basic terms, parameters and forms of the Refunding
Bonds, and approves the form of Purchase Contract, Continuing Disclosure Certificate, Escrow
Agreement and Preliminary Official Statement described below. In particular, Section 1 of the
Resolution establishes the maximum aggregate principal amount of the Refunding Bonds to be issued
($50,000,000). Section 4 of the Resolution states the maximum underwriting discount (0.5%) with
respect to the Refunding Bonds, and authorizes the Refunding Bonds to be sold at a negotiated sale
to RBC Capital Markets, LLC and Piper Jaffray & Co. (collectively, the “Underwriters”). The
Resolution authorizes the issuance of both current interest bonds and capital appreciation bonds.

(b) Form of Purchase Contract. Pursuant to the Purchase Contract, the Underwriters will
agree to buy the Refunding Bonds from the District. All of the conditions of closing the transaction
are set forth in this document, including the documentation to be provided at the closing by various
parties. Upon the pricing of the Refunding Bonds, the final execution copy of the Purchase Contract
will be prepared following this form.

(c) Form of Preliminary Official Statement. The Preliminary Official Statement
(“POS”) is the offering document describing the Refunding Bonds which may be distributed to
prospective purchasers of the Refunding Bonds. The POS discloses information with respect to,
among other things, (i) the proposed uses of proceeds of the Refunding Bonds, (ii) the terms of
the Refunding Bonds (interest rate, transfer terms, etc.), (iii) the bond insurance policy for the
Refunding Bonds, if any, (iv) the security for repayment of the Refunding Bonds (the tax levy),
(v) information with respect to the District’s tax base (upon which such ad valorem taxes may be
levied), (vi) District financial and operating data, (vii) continuing disclosure with respect to the
Refunding Bonds and the District, and (viii) absence of litigation and other miscellaneous
matters expected to be of interest to prospective purchasers of the Refunding Bonds. Following
the pricing of the Refunding Bonds, a final Official Statement for the Refunding Bonds will be
prepared, substantially in the form of the POS.

CONTINUED ON NEXT PAGE:
(d) **Form of the Continuing Disclosure Certificate.** The form of the Continuing Disclosure Certificate can be found in APPENDIX C to the POS. All underwriters of municipal bonds, are obligated to procure from a bond issuer a covenant that such public agency will annually file “material financial information and operating data with respect to the District” through the web-based Electronic Municipal Market Access (“EMMA”) system maintained by the Municipal Securities Rulemaking Board (which is the federal agency that regulates “broker-dealers,” including investment bank firms that underwrite municipal obligation issuance). This requirement is expected to be satisfied by the filing of the District’s audited financial statements and other operating information about the District, in the same manner the District has filed in connection with prior bond issuances. The purpose of the law is to provide investors in the Refunding Bonds with current information regarding the District. Similar laws have governed the corporate debt market for many years.

(e) **Escrow Agreement.** Pursuant to the Escrow Agreement, proceeds from the sale of the Refunding Bonds in an amount sufficient to redeem the Refunded Bonds will be deposited in an escrow fund (the “Escrow Fund”) held by Wells Fargo Bank, National Association (acting as “Escrow Agent”). The monies in the Escrow Fund will be used by the Escrow Agent to refund all or a portion of the Prior Bonds on August 1, 2016. As a result of the deposit and application of funds so provided in the Escrow Agreement, the Refunded Bonds will be defeased and the obligation of Solano and Yolo Counties to levy *ad valorem* taxes for payment of the Refunded Bonds will cease.

**Fiscal Impact:** There is no fiscal impact to the General Fund resulting from the issuance of the Refunding Bonds.

Staff recommends approval of Resolution No. 15/16-04 Resolution authorizing the issuance of the Solano Community College District (Solano and Yolo counties, California) 2015 General Obligation Refunding Bonds.

The resolution can be viewed at http://www.solano.edu/governing_board/meetings.php

SUBJECT: DISTRICTWIDE TREE REMOVAL PLAN

REQUESTED ACTION: INFORMATION

SUMMARY:

A Plus Tree Inc., performed a Districtwide comprehensive tree survey and assessment. This project scope of work included a tree survey, assessment and analysis of trees on the Fairfield, Vallejo and Vacaville campuses. A certified Master Arborist reviewed all three campuses, identifying tree species and noting the health status and specific campus location of each tree. Some of the aspects of the report include identification of trees with poor structure and health that have deformed concrete dividers in campus parking lots. The Arborist also identified trees that are planted too close to buildings. The Arborist’s report will provide recommendations for mitigation measures to address aging trees and prevent potential damage to the building foundations.

The Districtwide Tree Removal Report and Plan will be presented to the Board of Trustees for approval at the August 19, 2015 meeting, pending the resolution of any questions by the public and Board members.

The plan is available online at http://www.solano.edu/measurc/planning.php.
